DETAILED INFORMATION

Vessel Walkthrough

Stepping aboard this 54' Meridian Motor Yacht's flagship you see why this is the Model to judge all other 55 yachts by. Meridian leads the way in the use of space and livability. This 541 with her numerous upgrades features a huge cockpit and teak swim platform, which adds to her elegance and comfort. Because of her teak her exterior is maintained with minimal effort.

Influenced by European design but able to keep the space that the American buyers enjoy the Meridian 541 captures the look with more usable space. The galley aft window opens to a cockpit bar with two stools. The multiple windows all around and tall ceilings create an inviting space, additionally her multiple windows bring plenty of lighting throughout her many levels. Her split window design in the salon and galley areas gives you a view outside while standing or seated keeping the water view always available.

The fully enclosed fly bridge with her massive hardtop has space galore. Three staterooms, two head layout with a full beam Master. The washer/dryer, and electrical room are located under the galley, providing massive storage and easy access to the electrical systems. Substantial railings add to her looks and keep safety always in mind.

Easy to maneuver and fuel efficient Zeus Pod Drives with Cummins QSM11's at 715HP is only the beginning to a great yachting experience as this beauty can be effortlessly maneuvered by the most inexperienced Captain with the aid of the joystick.

Exclusions

Owner's personal belongings.
