DETAILED INFORMATION

Overview / Upgrades and Features

"Traveler" features three-stateroom and two full head layout.

Upgrades & Features:

- Full paint job (80k investment) 2015
- New Garmin Electronics
- New Eisenglass on Flybridge 2018
- New bottom job with prop speed 2018
- New zincs on shafts, Rudders and Trim Tabs 2018
- New Carpets on both Aft Deck and Flybridge 2018

Vessel Walkthrough

Entering the vessel from the port or starboard sides, from a Marquipt tide ride ladder, you move aft along a wide gunnel and open the wing doors to enter the large Aft Deck area. The aft deck is protected from the elements with three sided canvass and Eisenglass and with carpeted floor. The aft deck seating area consist of a large loveseat, two occasional chairs and a cocktail table all constructed in aluminum frame and covered in rattan. The cushions are upholstered with Royal Blue Sunbrella with gold piping. There is a walk-up bar with rimless polished stainless steel sink with gooseneck stainless steel faucet installed in aircraft quality dark blue marble with a 1 3/8" bullnose and concealed rope lighting. Under the countertop is a new U-line refrigerator with icemaker next to a GW trash compactor and a liquor cabinet. Moving from starboard to port there are four steps up to the Flybridge or through the teak door to port and down three steps into the foyer. Directly to starboard you enter the U-shaped galley. There are two 48" U-line refrigerators, one with icemaker one with a freezer. The kitchen counters on all three sides are aircraft quality black granite, with a 1 3/8" bullnose and concealed rope lighting underneath. Looking forward, there is a two burner ceramic GE Monogram cooktop, and above, a GE Profile Advantium 120 volt microwave with an exhaust fan. There are four drawers to starboard and four drawers to aft and all three sides are storage cabinets underneath the countertops. Immediately leaving the galley moving forward is a sofa sleeper to port and the downstairs helm to starboard. Directly across from the sofa sleeper are 3 adjustable bar stools under the galley countertop overhang. As you continue forward down three steps, the Guest Stateroom is to port and a storage room to starboard. Going forward past the Guest Stateroom you have sliding door to starboard where you enter the VIP Head. Forward of the head door is another sliding door entering the VIP Stateroom. There is a centerline queen bed, a hanging locker to port and a make-up mirror with cabinet and drawer to starboard. Also to starboard is a private door to the VIP Stateroom. Closing

the sliding door to the head, allows for a private entry into the VIP Head from this VIP Stateroom. The VIP Head consists of “Corian” countertop with a built-in sink with stainless steel hardware. There is a glass enclosure shower with a seat with shelf and a stainless steel shower wand. There is a new Raritan toilet and stainless steel towel racks behind it. From the Aft Deck through the entry door and down three steps is the Foyer. Moving aft down three steps is the Master Stateroom. The queen bed is centerline with two nightstands to either side of the bed. There are drawers and cabinets on either side of the bed and two large hanging lockers to port. The washer and dryer are to starboard as is the Master Head. The Kenwood washer and dryer are the stackable type. The Master Head has a large tub/shower combination and a new Raritan toilet. The “Corian” countertop has a built-in sink, with stainless steel faucets and storage underneath. From the Aft Deck moving forward and up three steps is the Flybridge. Moving all the way forward is the Flybridge helm and the entire engine controls, gages, switches and alarms and the Garmin Navigation Electronics. To starboard there is a built-in sink and a large corner seating area and adjustable table. To port is also a seating area. The entire Flybridge with its canvas Sunbrella and zippered Eisenglass windows keep the elements out or opened in nice weather. There is commercial exterior carpet and all seating is covered in blue and gold Sunbrella with gold piping. The Pompanette helm chair is also covered in matching Sunbrella. Looking aft from the helm and above and through the Eisenglass is the tender deck with the Marquipt 800 low profile tender davit. The tender is a West Marine/Avon 310 RIB (2013). It is powered by a 15 hp Mercury, 2-cycle outboard. From the Aft Deck moving aft and down a 4- step ladder is the Cockpit under the two hinged fiberglass lids is the Lazarette for storage and maintenance. Moving to the port and down one step is the Swim Platform. There is a stainless steel telescopic 5-step swim ladder concealed under the Swim Platform.

Aft Deck

You move aft along a wide gunnel and open the wing doors to enter the large Aft Deck area. The Aft Deck is protected from the elements with 3-sided canvas, Eisenglass and carpeted floor. The Aft Deck seating area consist of a large loveseat, two occasional chairs and a cocktail table, all constructed in aluminum frame and covered in rattan. The cushions are upholstered with Royal Blue Sunbrella with gold piping. There is an ice maker, refrigerator and sink on the walk up bar with a flat screen TV hanging on the forward bulkhead of the Aft deck area.

Salon
