LOTS OF MAJOR UPGRADES TO THIS TURN KEY CRUISING CATAMARAN SELLER MAY CONSIDER OWNER FINANCING TO QUALIFIED BUYERS

EASILY ACCESSIBLE IN FREEPORT, GRAND BAHAMAS Immaculate & spacious make this sailing cat **perfect for LIVING THE DREAM!** Affordable price for this loved & well cared for 11.5 meter, known as the big 'little cat'. Built in South Africa, sailed to the Caribbean, now in the Bahamas. Always owner operated, **NEVER CHARTERED**.

The Wildcat 350 MK3 is the latest in a large range of modern catamarans designed by Schionning Boats of Australia, built in South Africa by Charter Cats SA. **Wildcats are renowned for their safety, high levels of comfort, and their speed.** Built with quadriaxial fibreglass and balsa core, the Wildcat 350 is a fast sports cruiser that will tack through 90°. According to the designer, she will sail at 8 - 10 knots to windward and 10 - 13 knots off the wind with a No.1 Genoa in a 15 knot breeze. **Sails are by North Sails, hardware by Harken and Anderson.** With **18 opening ports** and hatches you will be cooled by the gentle Caribbean breeze whilst in the salon or in your cabin.

The heads are forward of the fore cabins, so the Wildcat Mk III **suits 4 couples** (1 in each hull) perfectly, **or 2 couples plus up to 4 children** or a captain and crew.

This catamaran is **perfect for island hopping and Caribbean cruising or ocean crossings.** Now is your opportunity to sail the world. And the Wildcat Mk III is perfect for long range and **blue-water sailing.** With her rounded, streamlined hulls she has much less windage from the side. Unlike most production cats, with their high freeboards and flat sides that look and act like the side of a barn, the Wildcat allows cross winds to blow over and around her. This means she takes side winds on the sails, where they are supposed to be, not on the hull. The rounded hulls also mean that should any waves come over the bow and onto the deck they are shed quickly off every side, giving you immediate control and agility.

The Wildcat Mk III offers a very comfortable use of space due to her impressive beam, with a larger interior than most 42' catamarans.

Sail Quest has **solar, windgen, radar, chartplotter, sonar, SSB, electric windlass, and tons more** (see specs).

Extended transoms offer better performance along with stack pack main, furling genoa (120% jib) and gennaker/reacher with sock. **Ample cockpit, extra large settee in the salon, bright galley** with ample cupboards and large chart table/workspace in the port hull. The Wildcat has almost **800 square feet of deck space:** relax in the nets or lounge on the deck whilst she sails without heeling over - your own flying magic carpet!

Performance and comfort in this Wildcat MK 3 make her perfect for safe ocean crossings, **zip between islands or running up and down coastlines. Very seaworthy capable of sailing around the world** having already sailed from South Africa to South America, North America, and the Caribbean. Easily handled with all lines led to cockpit for single handing or handling a crowd. **Never chartered, and well maintained by a few perfectionists.** Many upgrades with **Cherrywood bulkheads, doors, trim, hardwood floors throughout. Large salon with galley up design makes it a pleasure to cook. Seamless molded counter with sink and draining board. Custom made salon table easily seats 8 - 10 and converts to bed for two adults or four children.** Glass sliding entrance doors for tons of natural light and easy entrance and exit to the cockpit. 4 private queen cabins each with fan, **new LED lighting, USB charging outlets, Qi wireless phone charging station**, alarm clock, digital thermometer, built-in bluetooth speakers, shelves and cabinets, hooks, opening portlight, large Weaver deck hatch with removable insect screen for comfortable sleeping. 2 heads, with showers and **new Jabsco toilets.** Lots of storage.

The hull itself is light and strong, and very elegantly designed. Due to the high strength of **quadraxial glass and 3/4" balsa coring**, the hull sides are so strong they feel like a solid wall. The whole **boat can stand comfortably on its keels** while hauled out, or when simply run up on the beach for the night. Sailing performance is excellent due to the light weight and smooth hulls, even with the moderate load of cruising equipment currently on-board. For racing, the load can be quickly reduced by removing half the house battery bank, and offloading the drogue and some ground tackle; the huge sail area makes this a formidable race boat. Catamarans have no hull speed limit; the previous owner has gotten the boat up to 18 knots with a 45 knot tail wind. **The speed and the space make this an excellent cruising boat:** on her ocean voyages 180-200 miles a day is a commonplace.

Many extras added in spring/summer 2016. Top of the line **Rutland silent wind generator** and **1310 watts of solar panels** keep the batteries completely charged.

March 2017 has just seen the addition of a new **120 volt watermaker** that outputs a whopping 140 liters (37 gallons) per hour. This allows you to live like you are in a home, and not have to conserve water.

A perfect choice for cruising in style and/or living aboard. Owners willing to teach you how to operate all systems. Easy access to all systems and engines. Many amenities, extras, spares. Amazing opportunity to own a 'tiny house' on whichever waterfront you desire. She is light and bright and you will fall in love with her at first glance!!!

• Navionics North America Marine Charts on SD/MSD (2017) • Navionics NAVU-3XG Caribbean and South America Marine Charts on SD/MSD (2017) • Explorer Charts Bahamas • Near Bahamas 5th Edition (2012) • Exumas & Ragged Islands 7th Edition (2017) • Far Bahamas & Turks/Caicos 6th Edition (2017) • Waterway Guides • Bahamas 2017 • Southern 2012 • Skipper Bob's • ICW Anchorages 20th Edition (2016) • ICW Marinas 19th Edition (2016) • Bahamas Bound 14th Edition (2016) • Atlantic Pilot Atlas 5th Edition (2016) • Intracostal Waterway Chartbook 5th Edition • Seaworthy The Exuma Guide Revised (2017) • Steve Dodge, Cruising Guide to Abaco 2016 • To the Leeward Islands 2010-2011 • To the Windward Islands 2007-2008 • To the Windward Islands 2009-2010 • To Trinidad and Tobago 2006 • To the Virgin Islands 2007-2008 • Venezuela and Bonaire 2006

Entertainment Electronics

• Rockford Fosgate Punch Marine PMX-5 2.7in 50W AM/FM/WB Digital Media Receiver (2016) • Bitstorm Badboy Xtreme MJ long-range wi-fi booster w/ 10km range (2016) • Netgear WNDR3400v2 wireless router (2014) • Sanyo 24" LED flat screen (2016) • RCA Digital TV antenna (2016) • Canon PIXMA MG2920 Wireless Inkjet All-in-One Printer/Copier/Scanner (2016) • Night Owl 24 hour/day High Definition 1080p colour digital video recording system w/ 1 TB storage (2016) • 4 @ Night Owl HD colour video cameras with night vision - expandable to 8 cameras (2016) • Ion Air Pro underwater HD action video camera (2016)

Anchors & Ground Tackle

• Quick Aries D model 1012, 12 volt 1000 watt electric windlass • 5/8" nylon bridle with 2 Forsheda 3 snubbers, 3/8" stainless steel Mantus chain hook • Main anchor: • 30kg Lewmar bruce claw • 200' 3/8" Galvanized High Tensile Grade 43 chain with 16200 Lb breaking load (2016) • 100' 5/8" nylon 3 strand • Secondary anchor: • 20kg Lewmar bruce claw • 100' 10mm Galvanized chain • 50' 1/2" nylon double braid • Tertiary anchor: • Vetus 5kg aluminum anchor • 100' 5/8" nylon 3 strand (2017)

Sails / Deck Gear

• Standing fractional sloop rig • Aluminum 2-piece mast • 47' 10" height • 16' boom • Stainless standing rigging (inspected and tensioned July 2017) • Dual 10mm backstays set to 920Kg • 8mm shrouds • Lower set to 600Kg • Mid set to 1800Kg • Upper set to 1800Kg • North Sails mainsail • fully battened • 3 slab reefing • 304.52 sq ft • Luff (HT) 40' • Leech (HC) 42' • Foot (TC) 15' 3" • North Sails stack-pack sail bag with lazy jacks • North Sails genoa (on roller furling) • 296.48 sq ft • 123.08% • Luff (HT) 41' • Leech (HC) 34' 9" • Foot (TC) 17' 3" • Harken Mk III rolling furling • Quantum Cruising spinnaker w/ snuffer • North Sails storm sail • Winches: 2 @ Harken 2-speed 40 power ratio self-tailing winches in cockpit • Running rigging replaced (2012)

Miscellaneous

• Hydraulic steering system: • hydraulic lines with all stainless fittings (2016) • 2 - Seastar 2.1 hydraulic rams (2016) • 45cm stainless "destroyer" type wheel • Textaline external window shades, white, on salon windows (2017) • LED lighting throughout the boat, in both white and red with wall mounted switches (2016) • Custom made salon table converts to king+ size bed for 2 adults or 4 kids (2016) • Large inventory of spare parts • Large swim platform w/ladder • Manta Marine Kettle A10-205, Gas Grill, Stainless Steel w/ royal blue Sunbrella cover (2016) • Breathing Mobile Clothing Washer (2016) • Calliger Hand Crank Clothing Wringer (2016) • Reliable Barracuda 200ZW Zig-Zag Sewing Machine (2016) • Ozark Trail Folding All-terrain dock cart (2016) • Top Climber Solo mast climbing system (2016) • Bestway CoolerZ Inflatable 7 Person Tiki Breeze Floating Island (2016)

Fishing (all new 2016)

• Goture Fishing Line Winder / Reel Loader • Penn Slick Butt International V Standup Rod Series, 6-Foot/50-100-Pound • Penn Squall 50 Level Wind Trolling Reel • Rapala Lock-n-hold 6 rod rack (under hardtop) • 2 @ Black Marine RC95 Downrigger Release Clip • 2 @ Luhr Jensen Dipsy Diver, 8-Inch • 2 @ SeaSense Mooring with UV Inhibitor Snubber, Black, 24-Inch • Norestar 1/4" Polyester Rope with Snap Hook, 50 Feet • Flip Reel by Squiddies (Blue) • Flip Reel by Squiddies (Yellow) • Lazer Sharp Florida Coastal Saltwater Tackle Kit, 39 Piece • Ande A14-100P Premium Monofilament Line (Pink Finish, 100-Pound Test, 1/4# Spool) • Ande Premium Monofilament Line (Envy Green, 20 -Pounds test, 1/4# spool) • Meyerco WFF19 Fish Filet 2 piece knife set • Platinum High Performance Level 5 Protection No-cut Gloves (Large) • 2 @ Scotty rail-mounted locking rod holders

Scuba

• Socal Flags Diver Flag - 3 foot by 5 foot Polyester • 2 @ Catalina S80 80 cubic ft aluminum tanks, blue • Akona weight bag • 6 @ Leadex Group 1 LB soft weight • 8 @ Leadex Group 2 LB soft weight • 3 @ Leadex Group 3 LB soft weight

Hardtop

• 10 sq meter hard top with rain catchment system (2016) • LED lighting, in both white and red (2016) • 5 LED floodlights (2016) • 4 x motion detectors - connected to floodlights, internal alarm buzzer and external alarm siren (2016) • Sunbrella side shades on port & starboard in yellow & blue (February 2017) • 2 @ KwikTek T-Top PFD storage bag (2016)

Decks & Hulls

• quadraxial fiberglass • balsa-core with isophthalic resin below waterline for osmosis protection • light, strong construction makes for a very fast boat • Barrier coat and

antifouling (2012) • all decks and coachroof have molded anti-skid coating • huge, comfortable cockpit seating with backrest • swivel helmsman's chair, adjustable height • molded "sugar-scoop" reverse transoms for easy boarding from dock or water • telescoping swim ladder on port transom • grab-rails on cabin sides • 2 @ 1.35 x 2 meter trampolines forward with catwalk in-between (2013) • 2 stainless steel pulpits with bow seats (2016) • 2 stainless steel pushpits with stern seats and 4 fishing rod holders • Davits for dinghy with motor mount • Cockpit Cushions • 2 @ Boat hooks • Deck Brush with washdown connection • Cockpit seat with built-in Engel 12 volt freezer (can be used as fridge)

Dinghy

• West Marine 3.1 meter Rigid Inflatable Boat (2012) • Mercury 9.9 Hp (2012) • 2 - 15 Liter quick-connect gas tanks • Kayak: 11' Emotion Kayaks Envy (2016)

Docking Equipment

5/8" Nylon 3 strand dock lines • 2 @ 50', royal blue, 8" braided loop on one end, with Line Master LLM2 snubber (2016) • 2 @ 25', royal blue, 8" braided loop on one end, with Line Master LLM2 snubber (2016) • 75', white

Fenders • 2 @ Taylor Made Big B 12" x 34" cylindrical fenders, Caribbean Yellow, with 4 oversize carabiner for quick placement (2016) • 2 @ about 10" x 30" (estimated) cylindrical fenders, white • 3 @ Hercules 9" x 26" white & blue • West Marine fender, 8" x 24" white • 2 @ fenders for dinghy, about 6" x 18" (estimated), blue

Safety

• 4 watertight crash bulkheads: each bow and stern • encased mini-keels • this boat has inherent buoyancy, so it cannot sink • full Transport Canada and USCG safety gear • Spot Trace satellite tracking system tracks boat every 5 minutes (2017) • Global Phone Satellite phone (2017) • GME MT400 C/S Class 2 EPIRB • Liferaft: 8 person RescYou UKL8 • 10 @ Life Jackets • 3 @ West Marine Offshore sail auto-inflate life jackets with safety harness (2016) • 3 @ ACR PLB-375 Personal Locator Beacons (2016) • 2 @ Nautos double tether with 3 way safety hooks (2016) • 2 @ CO/Smoke detectors, each engine room (2016) • Smoke detector in galley (2016) • Trident Marine LP Gas Control mounted in galley (2016) • Fire port, each engine room (2016) • 4 @ Kiddie marine dry fire extinguishers (2016) • 2 @ Standard Horizon HX100 handheld waterproof floating VHF (2016) • emergency tiller • 2 @ horseshoe floats with brackets • MOB pole • 2 @ throw-ropes hung on aft safety lines • Pentax Marine 7x50 binoculars with built-in lighted compass (2016) • Sgt Knots High Visibility Orange - 5/8" x 100' tether line (2016) • 6 @ Fusion Wave Screw gate carabiner for tether line (2016) • Dual Ongaro 45cm stainless steel trumpet horns (2016) • 2 @ bilge pumps with float switches in forward compartments • 2 @ Rule Mate 750 GPH bilge pumps with internal water sensors in main bilge area (2017)

Tools

• Ryobi One+ System: • P208B - Drill (CS 1541 6DD3 0317) • P236A - Screwdriver (CS 1542 1DB1 0410) • P246 - Multi-Purpose tool (CS 1541 79704) • P570 - Multi-Purpose head (CS 1541 4N07 0189) • P506 - Circular saw (CS 1542 3N11 0141) • P3320 - Hybrid fan (GU 1539 3D01 4645) • P435 - 10" Random-orbit polisher (AF 1535 3D01 9782) • P523 - Jigsaw (CS 1529 3N07 0045) • P704 - Flashlight (.....043) serial number worn off • P780 - Work light (GS 1541) • P117 - 120 volt quick charger (CS 1541 6N31 1156) • P131 - 12 volt quick charger (CS 1532) • P411 - Sander (AJ 1542 5D01 6319) • P713 - Vacuum (CX 1534 1D01 9283) • P514 - Sawz-all (CS 1542 3D13 0015) • P731 - Inflator (EC 1616 2D01 02030 31) • 2 @ P107 - Lithium plus battery (CS 1541 6N510 002 & CS 1541 6N51 0015) • Stanley socket set • Stanley 97-126 11 Piece 1/2-Inch Drive Metric Deep Impact Socket Set • Mastercraft socket & wrench set • Complete set of 12/120 volt electrical tools and equipment
