## DETAILED INFORMATION

### Manufacture Description

---

Whether relaxing on the aft deck or bridge, or entertaining guests in the surprisingly roomy salon, owners will enjoy the way the Carver 466 motor yacht pampers. The generously sized bridge features a wraparound lounge with ample seating for six, plus an adjustable helm seat, two companion swivel captain chairs, and an ultra-stylish control console that provides abundant space. An integral stairway leads to the spacious aft deck where entertaining is a pleasure, with a hardtop that covers the entire deck, a skylight, a wet bar that includes bottle storage, and a transom door that can be conveniently secured open or closed for electronics.

Below decks, the salon is exceptionally large; thanks to the additional space created by the 466's raised side decks. The striking decor and luxurious furnishings include an entertainment group with BOSE-SURROUND SOUND TV, VCR and stereo, an ultra-leather lounge with incliners, and a solid surface snack bar. Elegant cherry wood cabinetry and trim adds a dash of extra style. Three staterooms and two head compartments deliver privacy and comfort for everyone.
