ХАРАКТЕРИСТИКИ

Обзор

The Dylan Lucy is a 2018 55 Zeelander which was delivered to her owner in Nantucket for a fun filled summer. As the vessel traveled throughout the northeast this summer and provided her owner with hours of enjoyment, he has decided he would like to bring more friends along to share in his enjoyment and as a result started building a larger Zeelander. The Dylan Lucy is outfitted with the 1200 Volvos propelling her at speeds of 40kts and doing this in complete comfort. Truly the ultimate party boat, this 55' has hosted parties with up to 25 guests aboard all having the time of their lives. Don't miss this opportunity to own a "new" Zeelander without having to wait for one to be built. This vessel also features a five year engine warranty from Volvo.

Walkthrough

Boarding the yacht, the focal point of the aft deck is the three stool bar which has a custom curved glass window which drops into the cabinet with a push of a button. This opens the aft deck up to the salon which makes the entire vessel one big entertaining area. Moving aft, there is a large sectional seating with a teak table in the center which can accommodate 6-8 guests comfortably. Further aft is the large swim platform which provides nearly 10 additional feet when extended offering guests an entertaining platform the size of a dance floor. There is a custom ladder which deploys from the platform for swimming guests, hot & cold shower, teak chairs & ottomans for lounging and speakers providing music so all guests are included in the ongoing festivities.

Moving forward from the bar, the galley is to port and provides a working platform for mixing drinks or preparing light fare. There is a burner, microwave convection oven, and a grill. Plenty of storage and a large fridge make this area easy and manageable. The entire interior is European oak with cherry accents. All wood has a satin finish with exposed grain.

Further forward into the salon there are deep drawers to starboard for all your storage needs as well as three large refrigerated drawers. To port there is an oversized custom white leather couch which has been covered in premium glove stitched leather. There is a folding table centerline with built in storage. Overhead is a large sunroof and forward is the helm.

The helm is centered by two air ride Grammar chairs. There are dual 20' Garmin Screens. These screens are tied into the Volvo system as well as the boat itself. All engine and boat functions can be operated by these screens as well as all radar and navigation. There are no manual switches on this dashboard which give this yacht an extremely clean look.

Moving downstairs there is a custom teak floor and steps leading you to the foyer. There is a cabinet which holds the main electrical panel. To starboard is the bunk room with two large over under bunks and a closet. Forward is the VIP which is centered by an oversized queen berth which rises for an immense amount of storage space. There are hanging lockers as well as a TV & surround sound stereo. Moving aft, is the large master stateroom. She is centered by a king bed with a vanity at the foot. This vanity has a mirror which rises up out of the cabinetry but also has a flat screen television which faces the owners bed. Ample locker and drawer space, this master has a large cylindrical shower with a clear glass door.

The uniqueness of this vessel truly sets her apart from any other yacht available on the market today. Whether it's her Williams Jet tender that deploys from the side of the vessel, her extremely stylish look, or her unparalleled performance, this yacht will truly offer you a piece of mind and a pride in ownership like no other.
