## Overview

---

Betsy G Too began her life as one of the famous Young Brothers high speed Lobster boats fit with a single CAT and designed for cruising in the Northeast. Her current owner Purchased her and performed a full refit bringing her to the fine yacht she is today. Adding a new engine and generator, a bridge, all new interior appointments and new varnished wood to bring her to "yacht" status, she is hands down one of the nicest Lobster Boats on the water. Do not miss this rare opportunity to own a true work of art.
