SPECIFICATIONS

Overview

The "Little Pipe" (name reserved) represents the absolute finest example of a sport fishing yacht constructed in today's market. She was built with no expense spared and took twice the time to complete as her predecessors. Truly one of a kind, this yacht is an absolute showpiece. Her jet black hull glistens like a mirror and her varnished teak structure leaves jaws dropped at every dock. Her jet black tower and decks covered in premium teak further add to this amazing yacht's class and originality. Her reputation truly precedes her and now that she has finally become available for purchase will bring her new owner the same pride her current owner has enjoyed since her delivery.

Overview

This 58' Roscioli Donzi Express all weather bridge is the most elaborate and customized 58' sport fish yacht ever constructed. If you are one of the elite who only wants to own the very best, this piece of art is the acquisition for you.

Money has never been an object in the owner's pursuit of perfection and with "Little Pipe" perfection has been achieved. This vessel represents an unbelievable investment of time and meticulous attention to detail by an owner and builder who collaborated to create an unbelievable achievement. Her lines and her appointments are second to none. A true classic look with a modern soul.

The hull was molded in black gelcoat and baked to temperature to accept the flawless black Awlgrip urethane topcoat. The cockpit and foredeck are covered in handled premium teak. The custom built Pipewelders tower was also powder coated then sprayed in Jetblack Awlgrip urethane. Each tower step is a custom fit piece of solid teak which which was custom made for each rung. These steps were then removed, varnished, and coated with non skid tops. Every attention to detail was addressed.

Located in Ft.Lauderdale, she is 10minutes from the airport.

Entering the very large cockpit of the vessel, she is covered in premium grade teak. The glistening varnished teak bulkhead is forward and she is centered by a Blue Water fighting chair. This chair can be removed and replaced by the large varnished teak table provided as well. There is a built in Cospolich freezer as well as a kitchen Aid Icemaker to service this area. A custom leather sofa seat has been built into the bulkhead for the ultimate comfort while cruising or fishing. Overhead are Twin Rupp Outriggers and her Custom Pipewelders tower. There is a large teak swim platform as well.

Moving into the Lounge/bridge area, the tasteful interior appointments of the vessel make this area one of the most relaxing and enjoyable entertaining areas of the vessel. Full 360 degree views through the oversized windows provide an open feel for all traveling owners and guests. The aft bulkhead of the vessel is custom fit with and Eisenglass enclosure which can be removed for a full open feel. There is a custom Connolly leather sofa with matching ottoman and a flat screen television which rises out of the cabinetry. There is also a wet bar with glass and bottle storage. Forward in this area is the command center which featured four Recaro air ride chairs all covered in premium Connolly leather to match the interior appointments. All the latest upgraded electronic/navigational equipment is within arms reach.

The entire interior has been customized with sound deadened bulkheads and sole. All interior woodwork was hand selected book matched teak which has been brought to a high gloss finish. All cabinetry has been fit with raised paneling and the floors are high gloss teak and holly. The headliner and side walls are a custom fit hand made batten design which took countless hours to complete. The custom brass latches and hardware accent the varnished wood and add to the overall opulence of this stunning interior.
