Overview

MAJOR PRICE REDUCTION! REALISTIC SELLER WILL CONSIDER ALL OFFERS!

All freshwater and one owner boat! Maintained impeccably! We invite you to compare the options on this boat to any other one in the market. Very realistic seller! Bring all offers!

This Pluckebaum Coastal Cruiser is quite possibly the nicest one that we have seen come out of the Pluckebaum factory. She is a wonderful example of a custom-built vessel that is exceptionally appointed. Providing ample room for entertaining and relaxing, as well as room to sleep 7-8 if you choose. Her twin 3126 Caterpillar 450hp engines provide up to 25 mph cruise with excellent handling capabilities.

She is extremely well-cared for by her meticulous owner with far too many upgrades and options to list such as her oversized bow and stern thrusters, an extensive Kaleidoscope entertainment package with Crestron control, KVH HD7 Sat TV system, twin 27.5kw Onan generators, stern swim platform and swim ladder, Davit (with 1,000 lbs capacity, cradle, and removable rail), mooring tow whips for towing 2 jet skis, Fortress anchor with windlass and 150-foot chain, flybridge with full instrumentation and wrap around seating with cushions, and eisenglass surrounding flybridge. The boat has Panamax battery back-up to ensure there is no interruption of service (with regard to the electronics) when going between shore and general power.

WIDE CUT features include (but are not limited to):

- Twin 3126 Caterpillar 450 hp manual engines with twin disc reduction gears (2 and a half inch stainless steel shafts, equi-quad 4 blade props)
- Twin 27.5kw Onan generators with hush box (each one can power the entire boat independently)
- Kaleidoscope entertainment package with Crestron control
- Panamax battery back-up
- Mather's Microcommander electric shifts and throttle with sync
- Engine alarms (both helms)
- KVH HD7 HD Auto Tracking satellite TV system
- Garmin 4120 navigation system with GPS mapping and XM weather
- Furuno 1831 radar system (lower helm)
- Standard Horizon MD-50 speed, depth and distance log (both helms)
- REI back-up camera system
- Central 4 ton AC with 100,000 BTU oil furnace
- Dual Purasan sanitation systems
- 12 volt emergency lighting throughout the boat
- Crestron off-site thermostat monitoring and control via smart phone/tablet

application

- Off-site video monitoring in equipment and engine rooms with Panasonic IP cameras
- Bimini extension aft of radar arch
- Eisenglass surrounding flybridge
- Built-in wine refrigerator cabinet (12 bottle capacity)
- TEC Sterling gas grill
- 220-volt four burner stove with oven
- Garbage disposal
- Oil changing system

...and many more!!!

She is ready to cruise!
