SPECIFICATIONS

Overview

In 2010 the popular 310 Signature by Chaparral was redesigned keeping an impressive blend of modern styling and first rate accommodations. A well-built weekend cruiser with above average fit and finish sets this cruiser apart from others in her class. She sits as many as eight in the cockpit, has generous storage, and an array of electronics.

This vessel has been used in fresh water her whole life and the inside of the boat is in excellent condition. 2017 Trailer included to get her where you like. Anyone searching for a lake boat this is a great candidate due to its lifes freshwater history and stored in a covered slip on the lake. Don't miss this great example of this model.
