Fuel Type: Diesel

DETAILED INFORMATION

Salon

Up one step to the spacious and well appointed salon, is where you will truly begin to appreciate the fine satin finished teak joinery that is throughout the yacht. The interior woodwork is extremely nice and features a satin finish.

The lower helm is found to starboard with deck doors to both port and starboard. Combined with numerous windows, one has a great view no matter which direction you are looking in. Great cross ventilation with the two opening doors on either side of the salon. There is a comfortable helm seat with icemaker underneath.

The L-Shaped settee is to starboard with a neutral upholstery with a teak and glass hi-lo table in front of the settee. The Cracker Gal II features teak parquet flooring throughout.

To starboard, adjacent to the entertainment center with bulkhead mounted flat screen TV (mounted on a swivel base), is a fold down computer/cocktail table was a custom design feature for this boat. There is a swivel chair for use when the table is in computer mode. The entertainment center includes book shelves and storage below.

Galley

Located just two steps down from the salon, the mid level galley has great natural lighting from the large forward windows. The chef on this boat will be pleased with the layout, as there is an abundance of storage and Silestone counter spaces.

The well equipped galley features a teak breakfast bar with storage underneath between galley and salon.

- Three-burner Kenyon electric ceramic top
- GE microwave/convection oven
