SPECIFICATIONS

Overview

The Viking 43 Convertible earned a reputation over the years as a first-rate tournament fisherman and an excellent open-water performer. She has more beam and fuel than the Viking 41 Convertible, the boat she replaced in the Viking fleet, and she offered a choice of a dinette or two-stateroom floor plan. Either way, the mid-level galley is wide open to the salon and the head compartment and master stateroom are both very spacious. The interior of the Viking 43 is comprised of rich teak cabinets and trim with quality appliances and rich designer fabrics upscale accommodations indeed for a serious fishing boat.
