SPECIFICATIONS

Overview

2009 390 Cruisers with Volvo IPS 500's. The 390 features a unrivaled open floor plan. Instead of squeezing a second berth in a mid cabin cave, Cruisers raised the helm deck and made room for a full size sofa in the aft area of the cabin. This allows for separate seating areas. Two couples can sit below on a rainy day and have plenty of seating and room to relax. Beautiful teak hardwood flooring (2016) covers the cabin, giving an rich and clean feel to the downstairs accommodations. The forward stateroom has a Cherry wood door, and the comfortable berth is on an angle, so each person can get out on separate sides. The head features tile flooring and a roomy shower with a glass door. RECENT UPDATES:
