# DETAILED INFORMATION

## Description

Showcasing a combination of style, space and speed, REVEIL leaves nothing to compromise. At 28.2m, the build is sealed with the quality of its pioneering Italian yard and is notably quick, boasting the title of 11th fastest super yacht in the world. She has a cruising speed of 35 knots and max speed of 56 knots.

Inside, there are 4 spacious cabins with accommodation for 10 guests, complete with modern detailing and a chic finishing touches. Her interior design matches her sharp exterior lines and kevlar carbon GRP hull, which received a complete repaint in 2016. To create a luxurious feel at high-speed, REVEIL's amenities are cleverly crafted in carbon fibre while carbon paneling and LCD displays have recently refurbished the bridge, keeping the finish consistent throughout.

Built in 2009 and privately owned, the impeccable condition of REVEIL, alongside her 3 x CAT C 32 Acer engines and recent upgrades, make her the ideal purchase for a buyer looking for speed, luxury and comfort combined. Receiving a full refit in 2016, her extensive list of new additions and maintenance work leave her in pristine condition, with VAT paid and in turnkey condition for new owners.
