SPECIFICATIONS

Overview

The original 68 foot model was built by the Terranova shipyard in Sardinia, and was delivered as a hull number 4 of only 8 semi-custom yachts ever made. The 1st hand owner has fitted the boat heavily and equipped with the highest standard equipment, including a solid 2-inch teak decking, custom made furniture, 2x 136kg ship anchors w/16mm chain, TRAC zero-speed stabilisers, custom audio and stereo system on and below deck etc. The current second-hand owner purchased the boat in Italy in 2014, and commissioned a major refit with all new refurbishing, refitting and deck and layout changes including technical and mechanical updates. The boat was then heavily used by a family of 4 who lived onboard and sailed the Caribbean, Bahamas, U.S. East coast and the Mediterranean. With the new owners, she has completed over 5,000NM and long-distance sailing. The displacement and handling is exceptional as she has experienced very rough seas and difficult situations with absolutely no mechanical or construction problems. There are all original invoices for every working hour or spare part that ever happened onboard in the past 3 years. The boat is loaded with spare parts for everything in the engine room as well as on deck, including engines, generators, AC, navigation, tender, electronics, hydraulics etc. There is a recorded logbook for every move, transfer, or casual cruise and every recorded expense regarding the boat, backed with every original receipt.

Two tenders included:

- BRIG 3,40 m : 30 HP Honda 2015
- TIGER Marine 6,00 m : 130 HP Yamaha 2018

The boat was taken care of professionally and is kept in a perfect condition.

Basic Information:

Length: 68 ft.

Beam: 19.35 ft.

Draft: 5.25 ft.

Displacement full load: 60 T

Fuel capacity: 6000 l (1000l day tank)

Fresh water: 1000 l

Grey water tank: 350 l

Back water tank: 350 l

Eco speed: 10 kts

Max speed: 16.5 kts

People: 6 + 2 crew

Additional Information:

Year of build: August, 2008

Place of build: Terra Nova Shipyard, Sardinia
