## Overview

---

Michael Fitz custom boats are built one boat at a time to maintain a high level of quality with personal care and attention. Fitz custom boats have built 85 vessels from 35' and larger. Solidly constructed with hand laid bi-axial fiberglass are laid out for low and easy maintenance for both above and below deck.

"This boat is in the water and ready to go".

She is powered with Detroit diesel model 671 with 450 HP. Professional maintained. Service records are available.

"ODYSSEY" was built for commercial uses but commissioned by a private buyer to have a lasting vessel for his family to enjoy for years.

She shows well in all areas from engine access, maintenance, flybridge layout, cockpit layout, salon and stateroom to final.

This is a super deal , She never has been commercially used.
