Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

ODYSSEY hosts a two stateroom, two head layout with her master stateroom aft and VIP Guest stateroom forward. Her master cabin hosts a centerline queen berth with ensuite head with oversized stall shower. Her VIP guest cabin has a traditional V berth styled raised bed with filler piece. Her highly customized interior finish is varnished American cherry wood with raised panel door, drawers and locker fronts. All counter surfaces in the galley, salon and heads have marble tops. Bulkheads in the head areas are finished in white Formica laminate. The cabin soles are solid varnished teak and holly. All hanging lockers are cedar lined. All cabins have fantastic natural ventilation with overhead opening Hood stainless steel hatches and opening Hood stainless steel port lights. All areas are fully air-conditioned and heated. All soft goods compliment in designer fashion.

Guest VIP Stateroom

Beginning forward aft of the anchor locker is a traditional V birth state room. There is a filler piece for the berth to make into a large double. A TV is built into the cabinetry forward. Large lockers are outboard over the berth with drawers below. Aft of the berth, either side, are cedar lined hanging lockers. Below to starboard are four drawers and a foot locker. Aft to port is an enclosed head. To starboard is a built-in washer/dryer.

Main Salon

The main salon is larger than that of any other Bristol 47.7 with a full length settee to starboard and a comfortable circular settee/dinette to port. There is a fixed table with a Compass inlay. The table extends with a center filler to provide seating for 6 to 8. Outboard are four fixed hull port lights, unique to this Bristol 47.7. A Skyworth flat screen TV/DVD Player is mounted above the settee with Raymarine remote keyboard. Storage throughout is abundant in drawers and lockers.

Master Stateroom

Proceeding aft on the port side one enters the master stateroom. This cabin features a centerline queen berth, a large 4 foot hanging locker, a built-in Skyworth flat screen TV/DVD player and abundant drawer and locker space. To starboard is the master head with custom large stall shower, magnificently appointed vanity and full length mirror.

Galley

The galley is located to starboard and aft of the salon. It features marble countertops, double

stainless steel sink, CNG stove and oven, top and front loading refrigerator (Seafrost), microwave, trash compactor, coffee maker, toaster oven and custom faucets. There is a top loading freezer to starboard and forward of the navigation station.

Electronics

Navigation Station • Raymarine E Series 12" Multi-Function Display • Furuno FCR 1010 24 Mile Radar • B&G Hydra 2 Display • Northstar 941X GPS • Icom M422 VHF Radio • Horizon Loud hailer • AIS 650 Class B Transmitter Cockpit • Raymarine E Series 8" Multi-Function Navigation Display • Pathfinder 4KW Raydome Radar • Brooks & Gatehouse Hydra 2000 with Wind, Speed, Depth and Log features • Brooks & Gatehouse Hydra Autopilot • Icom Comand Mic II

Broker Comments

ODYSSEY is a very special yacht and, in this brokers view, more comparable to a Little Harbor 46 than the average Bristol 47.7. She was highly customized during the build and has been loved and cared for by her first and second owner's. She has always seen North East only use

enjoying winters off under her custom Fairclough cover. Under sail she is easily handled by one with her electric stowaway mast, Harken roller furling head stay and main and genoa / outhaul electric sheet winches. Below ODYSSEY is elegantly appointed with numerous custom details including raised panel drawer and lockers, varnished American cherry joiner work, built in electronics and entertainment equipment and marble countertops. No expense was spared in her construction or outfitting to make ODYSSEY a yacht that stands out in any port. Truly one of the finest Bristol 47.7's ever built and known by this broker.

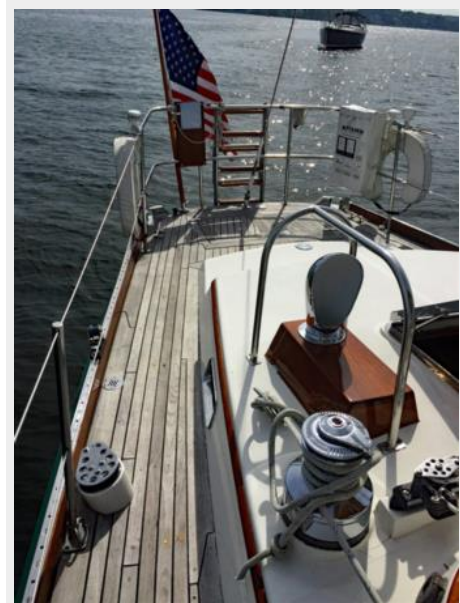

Exclusions

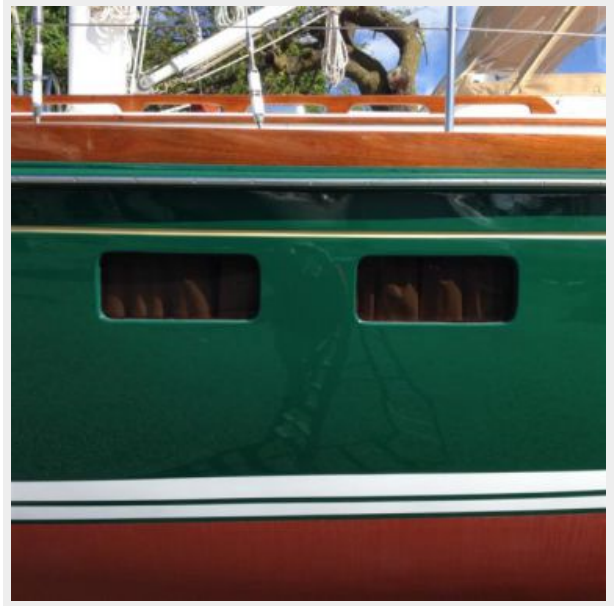

Owner's personal belongings.
