DETAILED INFORMATION

Accommodations and Layout

The master cabin stateroom is aft and has a full beam centerline berth. The Princess signature frameless hull windows make the cabin extremely light and spacious. The VIP guest stateroom is forward with a centerline berth and ensuite head. The second guest stateroom is starboard and has twin berths that slide together with the touch of a button. The aft-galley layout is unique to the Princess range and works extremely well. It provides easy access to the galley whilst at the same time easy access to both the cockpit and the flybridge. The 52 can sleep six people comfortably there is an additional aft cabin for crew or more guests. Contemporary style and understated elegance come together with exhilarating performance, unrivaled accommodation, and genuine long range cruising ability in the Princess 52.
