## Overview

---

"Walkabout" is truly a custom one of-a-kind Hatteras. She was originally built as a 46' and lengthened to a 50', giving her a huge cockpit not typically found on a vessel this size. Almost everything from the original vessel was removed and replaced. She has new CAT 3176's which give her a 24 knot cruise, and wide open is around 28 knots. She features new electronics, interior, and her engine room is like a work of art. She is a proven fish raiser and features five blade props for smooth ride and less prop wash offshore.

Walkabout is not your typical, older project Hatteras. She is clean, fresh, smells great and is truly a pleasure to show. This boat is turn-key and priced for a quick sale.

## Basic Information

---

**Category:** Sport Fisherman

**Model Year:** 1979

**Year Built:** 1979

**Country:** United States

## Dimensions

---

**LOA:** 50' 0" (15.24m)
