Manufacturer Provided Description

There comes a peace at the very center of everything, when the world pivots around you in perfect balance. Some people spend a lifetime trying to find this spot. Others simply settle into the solarium-like covered cockpit of the 510 Sundancer. Light streams in through endless acres of glass above and to every side and even follows you when you head below under SkyFlow's glass cathedral ceiling over the galley and salon. Dissolving the separation between indoor and outdoor helped the 510 Sundancer win the AIM Marine Group Editor's Choice Award. Its technical prowess and inspired execution ensured the win, and the peace you will find therein.
