SPECIFICATIONS

Overview

This custom built Carolina-style beauty has been the demonstration boat for her builder, Quiet Waters Boatworks. Built in the cold-molded fashion in 2013, she is as beautiful to the eye as she is functional. Powered by a Yamaha 40hp 4-stroke with only 122 hours, she cruises in the mid 20's and tops out at nearly 30 knots. Please see Full Specs and photos for more details. This is a real head-turner that is incredibly fun to drive!
