SPECIFICATIONS

Overview

The Maxum 3500 SCR is infused with the panache of a refined luxury yacht, boasting the latest in design and comfort, along with all the punch one would expect from a cutting-edge high-performance sport craft that demands to be driven. Even from a distance, the distinctive Maxum silhouette and revenged radar arch signal that this one's got it all: poise, performance and sophistication, all wrapped in a sleek and sensuous package. The broad platform features storage, a retractable swim platform, and a convenient fresh water shower for dives or swims. The helm is impressive with its advanced instrumentation cluster, and the openness of the aft cockpit area and the seating accommodations hold the promise of many nights of entertaining to come out under a shimmering canopy of stars. Once below, the cabin will embrace passengers with luxury plus the generous forward and aft berths. The full fiberglass head features a shower, sink and skylight.
