Overview

998 74' Hatteras MY "BEST DAY" Welcome aboard "BEST DAY". It is my pleasure to offer this classic 74' Hatteras Motor Yacht for sale. There is a great deal to like about her. Her classic lines are timeless. Her interior volume and liveability are second to none. Her Hatteras pedigree is best in class. Unlike some other motor yachts of her vintage, she is no slow poke. Her 3412 CATS will push her at a 20 plus knot cruise and will do so in hydraulic stabilized comfort. Her hull has not been stretched from a previous model nor was her cockpit added after factory delivery. She is a factory 74 with a 18'2" beam and a custom 5 stateroom layout! This layout will offer special appeal to the family cruiser. She is kid tested and family approved! She will also hold some appeal for any potential charter venture. The versatile layout can accommodate family, guests and crew. Her knowledgeable owner has put hundreds of thousands of dollars into her for mechanical maintenance, ship systems upgrades and cosmetic improvement. She is a true classic Hatteras Motor Yacht and is being offered at a price that represents tremendous value.

- Fuel pumps
- Heat exchangers
- New PTO for bow thruster
- Fuel hoses and high pressure hoses
- Water pumps
- Exhaust hoses
- 3000 hour service performed

VESSEL WALKTHROUGH

Depending on the docking situation BEST DAY can be boarded two ways.....by the stern swim platform or by the midships boarding ladder on a fixed dock. We start our walkthrough boarding amidships. Entrance doors on both the port and starboard sides lead into the pilot house. The weather protected pilot house has a large bench seat for underway Captain, guest or crew visibility. She offers a full complement of updated navigation electronics including:

- Garmin 7215 multifunction display Chartplotter, radar and depth sounder functions
- Updated screen for Furuno back up chart plotter and sounder functions
- Simrad AP 20 Auto pilot
- SEA 156 VHF radio
- Sea Hail with 2 hailing speakers
- Richie compass
- ACR spotlight touch pad control
- Hydraulic bow thruster controls
- CAT gauges

Facing forward on the starboard side of the pilot house is a stairwell that leads below to the forward lower accommodations. Facing aft there is a stairwell to the flybridge and a passage way to the galley and salon.

Taking the stairs forward to the lower accommodations leads us to a small foyer. There is a full size stand up washer and dryer at the base of the stairs. To port we find the forward guest bunk room. A few steps down and towards the bow is the forward

VIP stateroom. Each of these staterooms have corresponding heads with private access. Aft of the foyer there are a couple steps down into the mid ship multi berth stateroom and private head. This 4 berth mid ship state room is versatile and has aft bulkhead door into the engine room.

PORT FORWARD GUEST STATEROOM

- Upper and lower berth arrangement
- Custom bed spread and shams
- Cedar lined hanging locker
- New carpet 2015
- Reading Lights
- Climate controls
- Storage drawers
- Access to private head with fresh water toilet, Corian counter top, Amtico flooring and full sized stall shower

FORWARD VIP STATEROOM

- Island queen berth on center
- Custom bed spread and shams
- Mirrored head board
- (2) Built in dresser drawers on both outboard sides
- Recessed lighting
- Climate controls
- Cedar lined hanging locker
- New carpet 2015
- Overhead hatch with sun shade
- 13" flatscreen TV/DVD
- Access to private head with fresh water toilet, Corian counter top, Amtico flooring and full sized stall shower

MIDSHIP MULTI BERTH STATEROOM

- Twin upper and lower berths for a total of 4. Lower berths slide together to create one large double while keeping two upper berths
- Versatile layout good for crew, a whole family or multiple children
- Cedar lined walk in closet - via the head
- New carpet 2015
- Built in dresser with drawers and storage
- 13" flatscreen TV/DVD
- Climate controls
- Engine room access door on aft bulkhead
- Full ensuite head with fresh water toilet, Corian counter top, Amtico flooring and full sized stall shower

Returning back up to the main level we can walk aft from the pilot house into the galley and salon area. It is nice that there are no step ups or step downs and the entire main level is flush deck. Immediately to starboard we have a large U shaped leather dinette with a Corian table. Directly across from the dinette is the open concept galley. The aft bulkhead is open for clean sightlines into salon, pass through serving and a connected salon breakfast bar. The galley has everything a shipboard gourmet would need including:

- Kitchen Aid full sized stand up refrigerator freezer with maple wood tone face
- Whirlpool quiet wash plus dishwasher
- Whirlpool 4 burner electric cook top
- Whirlpool self cleaning oven
- Kenmore microwave oven
- Large deep sink with built in insinkerator garbage disposal
- Corian countertops with built in breakfast bar (2 chairs on the salon side)
- Teak and holly pattern antico flooring
- Climate controls
- Maple wood cabinetry with darker wood stain
- Ample storage

Continuing aft of the galley and dinette is the full beam main salon. The 18'2" beam and large windows really help give BEST DAY an open airy feel. Her salon décor is simple and tasteful. There is a stairway leading down to the aft accommodations to starboard. Aft of that is a large leather L shaped sofa and oversized ottoman. The carpet was new in 2015 and is beige with a white trim decorative pattern. Port side corner aft is a large dark wood cabinet housing a pop up flat screen TV. Port side in the salon there is a small table and nautical lamp sandwiched in between a kids fish pattern chair and a grown up lounge chair. Other features include:

MAIN SALON

- Sliding door access to the aft deck
- Fabric wrapped valances with Hunter Douglas window treatments
- 42" flatscreen TV with Sony DVD and Pioneer receiver
- Climate controls
- Air purification system

AFT DECK AND COCKPIT SPORT DECK

There is a large sliding glass door from the main salon to the aft deck entertaining area. Highlights include:

- Teak deck
- Teak table and chair set
- Wetbar with white Corian top, sink, U line refrigerator, bottle and glass storage
- Overhead lighting

- Stainless handrails with custom mesh netting for children and pet safety
- From the aft deck there are a set of semi spiral stairs that lead to the lower cockpit sport deck. Its highlights and features include.....
- Aft control station to port with gears, throttles, engine start stop switches and hydraulic bow thruster controls.
- Hot and cold fresh water shower
- Step down swim platform
- Lazarette access door
- Storage doors
- Dive compressor access and tank storage
- Rod holders with backing plates

AFT LOWER ACCOMODATIONS

The stairwell on the starboard side of the salon leads down to the lower accommodations and a second engine room access door. At the base of the stairs is a small foyer. There is a linen closet to port and engine room access on forward bulkhead. The guest bunk stateroom is across the hall. In keeping with the versatile stateroom arrangement this bunk bed room could be utilized by guests, crew or kids. There is a desk, book shelves and a chair that would make for a nice owners/captains office, kids video game desk or media center.

AFT GUEST STATEROOM

- Upper and lower berth arrangement
- New carpet 2015
- Built in desk and bookcase

MASTER STATEROOM

The full beam master stateroom is located aft and is one of the many highlights of "BEST DAY". There is tons of storage in the master with build in dresser drawers on both out board sides. A walk in cedar lined closet compliments this storage space well and makes for an overall very livable stateroom. Additional master stateroom features include:

- King size island berth on center with storage beneath
- Decorative upholstered headboard with mirror aft bulkhead
- (2) built in night stands, one on either side of the bed
- Overhead lighting, rope accent lighting
- Hull side windows for natural light and custom window treatment and blinds
- Toshiba 20" flatscreen TV with Blue Ray DVD
- Clarion stereo and speakers
- New carpets 2015
- Climate controls
- Air purification system

MASTER HEAD Stand up shower/tub His/Hers sinks Corian countertop Decorative fixtures Tile floor Fresh water toilet Ample storage Large mirror with 2 sliding vanities

FLYBRIDGE

Back to our entrance and the starting point in the pilot house. The starboard stairwell leading up bring us up to the flybridge entertainment deck. This open air deck has a Bimini top for sun protection and is open to enjoy the salt breeze and outdoor yachting lifestyle. Forward on the bridge is a helm station for navigation and aft is a bar and expansive seating area. Other flybridge highlights include:

- Huge U shaped seating area with blue fabric cushions
- White Corian bar with sink and under counter refrigerator
- 4 fixed bar stools
- Blue bimini top new 2016
- Radar arch with Sat TV dome, radar and antennas
- Plexiglass low profile wind screen
- STIDD companion seat
- STIDD double wide captain's seat
- Aft bridge deck for tender storage and launching davit (no tender aboard)
- White non skid deck
- Fresh water washdown
- Flybridge electronics
- Garmin 7215 Multi function display CP, radar, and depth sounder. Wire as a repeater from the lower pilot house
- Back up Garmin Echo Map 50 chart plotter and depth sounder with feed from pilot house Furuno system
- Furuno depth sounder
- ICOM VHF radio
- Hydraulic bow thruster controls
- Ritchie compass
- CAT gauges

ENGINE ROOM

The engine room is accessible from the forward midship stateroom and the aft stateroom companionway. The engines and engine room systems have been through extensive maintenance practices and value added upgrades, much of which has taken place over the last few years under current ownership. Engine room highlight include:

- 3412 CAT engines, 1350 HP each, approx. 4800 hours with extensive service records
- (2) ONAN 20 KW gen sets, service records available
- Cruise Air AC system
- Niad hydraulic stabilizer system

- American bow thruster hydraulic bow thruster system
- Racor fuel filtration system
- 40 gal water heater
- Bilge pumps
- Battery chargers
- Engine room blowers
- Dripless shaft and rudder seals
- Kiddie fire suppression system
- Fresh water outlet
- Fresh water pump with back up pump
- Air compressor

DECK EQUIPMENT AND FEATURES

- Marquipt 1500lb davit on bridge aft deck
- Maxwell 3500lb windlass and capstan
- Bow pulpit with anchor roller
- Stainless steel plow style anchor and galvanized chain
- Non skid painted decks
- Fore deck blue upholstered seat and sun pad
- Stainless steel bow rails, hand rails and aft deck rails
- Aft deck dive tank storage and gear lockers
- Heavy duty SS cleats
- Fore deck dunnage boxes
- New life raft 2014 with 3 year certification
