Overview

Fiafia is a rare Sundeck/Cockpit version of the popular Marine Trader. She has a sundeck with a custom hard top that provides direct access to the salon and upper helm/flybridge and adds extra living space, plus a spacious flybridge with full enclosure and abundant seating for fun underway.

Master cabin has a centerline queen, dressing table, loads of storage, and an ensuite head with a bathtub and is accessible directly from the salon as well as the cockpit for easy entry into the boat from the dock.

Galley is fully equipped with a Tundra refrigerator/freezer and 4-burner stove/oven, even a spice rack. And with dual Cummins 210 diesels, Fiafia can get you where you need to go reliably and safely.

Post Hurricane Irma condition update: Fiafia did not sustain any damage from Hurricane Irma and is available for inspection anytime.
