DETAILED INFORMATION

Walkthrough

MARGARITA has a spacious three cabin layout accommodating six guests plus a separate crew cabin aft for two. Once aboard, the aft deck built in alfresco dining area is nicely equipped with a wet bar including refrigeration and an ice maker. Generous side decks along both sides of the cabin lead to the bow area outfitted with dual Marquipt lounge chairs. You enter the main salon through automatic double stainless-steel doors off the aft deck. To starboard you will find a wet bar and a generous L-shaped sofa with built in storage. To port is the entertainment center with a large TV on a lift and two barrel chairs forward. Moving forward up a step is the day head on the port side. To starboard is the large county kitchen nicely appointed with top of the line full sized appliances. Forward is the lower helm outfitted with electric Stidd chair, Furuno electronics and dual side doors leading to the side decks. Along the port side of the helm area is a dining settee perfect for breakfast or soaking in the views. The guest cabins are accessed via a stair case from the starboard side of the lower helm. The guest cabin foyer has a nice built in cabinet for storage and a laundry center with separate washer and dryer. All three guest cabins feature en-suite heads with showers. Forward is the VIP cabin with an island queen berth and cedar lined closets to port and starboard. Midship to port is the side by side twin cabin with a cedar lined closet. Moving aft, separated by the lower foyer and a few steps, the master cabin features a center line king berth and large built in chest of drawers along both sides of the cabin. On the port side of the bed is a large cedar lined walk in closet and starboard of the bed is a vanity with mirror. The nicely appointed master head has dual sinks, lots of storage and a generous shower. On the forward wall of the master cabin to port is an additional cedar lined closet and the entertainment center. The flybridge is accessed up a stair case on the port side of the county kitchen. Forward, the helm is nicely outfitted with two Stidd chairs. Aft, you will find two comfortable built in dining settees with tables and storage beneath. Just behind the port settee, the wet bar is complete with BBQ grille, refrigeration and an ice maker. Just behind the bar you have the boat deck that can accommodate a large 15' tender. The crews quarters is accessed through a water tight door in the transom. Before entering the crews, quarters there is a nice lazarette space for extra storage or for water toys. Once in the crew's quarters, to port is the crew cabin with two bunks the lower bunk is oversized and there is a nice desk along the forward bulk head of the cabin. To starboard is the head with shower. The crew mess features a microwave oven, refrigerator and a full laundry center. Forward is the watertight door leading to the engine room.
