SPECIFICATIONS

Overview

The new design of the Gran Turismo line is tailored to the American market. The new 40 GT will be replacing the very popular 38 GT which was launched in 2012. Her main differences from the 38 GT are her new sexier lines designed by the famous Nuvolari-Lenard architects, her re-designed cockpit layout which now includes a hydraulic swim platform option, and the re-designed head layout which now offers an enclosed shower stall.

Every new Beneteau comes standard with a 3-year stem to stern warranty and a 7-year structural warranty.
