SPECIFICATIONS

Overview

This is the most popular Sea ray ever built. This 280 Sundancer has all the equipment you would expect in a much bigger boat. Features such as the westerbeke generator allows you to enjoy the reverse cycle air conditioning and/or heat while away from the slip. The cabin can sleep six with the converable dinette. When more dining space is needed below the forward V-berth has a dinette as well. The twin 4.3 mpi mercruiser V-6 motors with alpha one drives offer good performance and fuel economic.

Basic Information

Category: Cruiser

Model Year: 2006

Year Built: 2006
