## Overview

---

JAG 80 (a 2004 Lazzara 80) is a contemporary work of art. Her swooping lines, open fly bridge with integrated hard-top and large main deck windows speak volumes about her sophistication and style. Beyond the beauty though, JAG 80 was designed as the perfect yacht for your active lifestyle. Her full compliment of toys allows you to experience the water in an endless variety of ways. JAG 80 has two mini garage compartments that have been custom modified to fit (2) Kawasaki three-seater personal watercraft. No other yacht in this class has this feature. In addition her CAT C-30 engines and ABT Trac stabilizers will give you performance and confidence knowing you have this preferred performance package.

### PRELIMINARY LISTING - PHOTOS TO FOLLOW SOON Service & Upgrades:

2013 This boat has been refit in 2013 with new interior roof/wall panels, new floors, new mattresses, new TV/sounds system, new anchor chain, new shaft/seal/cutler bearing

2015 Install all 3 new A/C

2016 Redid all new cushions

2017 New canvas and fridge on top deck.

Tender Novurania 14 feet 2004 good condition with 60 HP Yamaha.

2 x Kawasaki 3 seaters 2017 model STX 15F **Vessel Walkthrough**

Once aboard the JAG 80 you will discover both the exterior and interior of this luxury motor yacht will make you feel at home. The spacious salons and state rooms are equipped with state of art electronic technology. Sit back and enjoy air-conditioned comfort or enjoy the fresh from the double door aft deck slider. In addition JAG 80 is outfitted with a variety of equipment for you and your guests to enjoy many water activities, including dual 3 seater jet skis and a full jacuzzi on the flybridge.

### Salon

You enter the salon through two large stainless steel double doors. The Salon is very bright with plenty of lighting and large windows throughout. The first thing you will notice is all wood flooring that runs the entire length of the main deck. Complimented by a array of high gloss cherry wood interior.

A cherry wood table sits in front of the sofa. The Salon has an elegant feel with upholstered valances and pull down Duette shades. Overhead is a cherry wood oval surrounded by eight halogen mini spots. There are thirteen additional halogen mini spots throughout the salon. **Dining Salon**

Dining Table seats comfortably six, has a high gloss wood top with a cherry wood pattern. Aft of the table is a buffet with three cabinets and three drawers for all the dining room accessories. The cherry wood continues along port side and goes into two built in china cabinets which have interior lighting which displays all the fine dining ware and china. Below are cabinets and drawers for table linens and plate ware.

Starboard is another buffet with cabinets and four drawers. The buffet serves as a

divider for the stairs to the lower deck and all the accommodations.

Above mirroring the shape of the buffet is a triple glass door cabinet for cocktail glasses and has interior lighting for display. Above the dining room table there is one large Oval Dome light surrounded by a cherry wood trim. **Galley**

Entering the galley by the way of a sliding cherry wood pocket door you will discover a very large country kitchen style galley. To port is a 4 door pantry with 7 shelves within. Starboard are the curved open steps leading up to the flybridge. Next forward is the on deck powder room with a toilet marble floor, marble countertop and a curved front cabinet. The powder room has plenty of lighting, glass mirrors, and windows with pull down duette shades, air conditioning and an exhaust fan.

In the center of the galley is an island with granite countertop, a stainless steel sink with a removable spray faucet, instahot water dispenser, fridgeaire stainless steel dishwasher and four cabinet doors for storage. Aft is a Kitchen Aid Superba double door stainless steel refrigerator with water and ice through the door, a kitchen aid superb stainless steel convection oven, a Kitchen Aid four burner ceramic cook top and a GE spacemaker stainless steel microwave with light and exhaust fan below. Storage is in three cabinets and three drawers below the countertop.

Next forward is a Kitchen Aid stainless steel trash compactor and two sub zero freezer drawers. Above the appliances there are twelve additional cabinets for storage and dishes.

Looking the furthest forward you will see a raised dinette with seating for six. The table top is made of granite on two fluted column bases. Looking forward of that there is a huge storage area where you will find all of JAG 80's Manuals. There is a very large windshield which provides those aboard a lot of light and an open airy feeling. The sole of the galley is a bamboo wood plank and has rope lighting. On the galley there is also a LCD flat screen. Just forward you will see a stairwell which leads to the Crew Area.

## **Foyer**

Going down the carpeted steps this will lead you to the master and guest accommodations. The sole is marble and looking Aft you will see a curved two door cabinet with a high gloss top and special lighting for a sculpture or artwork.

Across the foyer are a six shelf linen locker, a Bosch clothes washer, and a Bosch clothes dryer. **Master Stateroom**

Once you enter through main foyer going aft and through a double door entry you will have arrived at the Master stateroom. In the center is a king size berth with five large drawers below the berth. On both port and starboard there are free standing night stands with two drawers each. Twin fixture sconces are wall mounted above each nightstand. There is an upholstered headboard and large mirror above between the lamps. Overhead you will see a mirrored panel with eight halogen mini spots in the

surrounding cherry wood molding.

When you look starboard starboard staring aft you will a chest of three drawers with three open shelves above. Next moving forward there is a desk/vanity with a single drawer below. There are two sliding screens covering to oval port windows that will provide you with plenty of exterior lighting.

There are three more matching drawers with a two drawer cabinet and two open shelves furthest forward.

On the port side there are the same dual three drawer chests with open shelves above. There is a two person settee with storage under the cushion between the two chests of drawers. Just above the settee are two soji screens concealing two large port windows that will provide you with plenty of exterior lighting.

On the forward bulkhead is a mounted LCD TV with surround sound stereo/DVD/ CD player.

**Master Stateroom Head** The huge his and her marble master head is very much compared to a luxurious home found ashore. The flooring is slab marble. The vanity is made of cherry wood with two china sinks on a marble top with a waterfall edge. Below the countertop are seven cabinet doors and three drawers. Above you will see five mirrored panels with two being the medicine cabinet.

The tub is the main feature of the head. The owner will be able to relax in comfort in style with a Kohler Whirlpool Jacuzzi. The Jacuzzi has a full clear glass enclosure and has a door in the center of the tub. There is a micropher model toilet, and also a large mirrored door which opens to a four shelf linen locker.

**VIP Port Guest Cabin** Utilizing half the beam of the yacht to its best advantage, the queen berth in the Port VIP Guest Stateroom is walk-around on three sides. The base of the berth has four large drawers; rope lighting and a rope trim molding. Above the upholstered headboard is an inset mirrored area with a two door cabinet fore and aft. Above are two opening stainless steel portholes, duette shades and reading lights.

Aft of the berth is a two drawer nightstand with telephone and light switches.

Next forward is a cedar lined lighted hanging locker with a mirror on the exterior of the door. At the foot of the berth in the forward corner is a curved corner cabinet with two doors below, two open shelves and a LCD TV above. Also in this stateroom is high gloss cherry wood decorative paneling, and above are seven mini spotlights.

**VIP Port Guest Cabin Head** The Guest Head with a china sink, Grohe fixtures, bull nosed marble countertops that match the sole and a Microphor china toilet.

The stall shower has a clear glass door with sidelight, a fiberglass stall shower and a hand held or wall mountable Grohe fixture.

Also in this head is an exhaust fan, an AC outlet and four overhead mini spot lights.

### **VIP Starboard Guest Cabin**

The VIP Starboard guest cabin has the same queen size berth and walk-around on three sides. The base of the berth has four large drawers; rope lighting and a rope trim molding. Above the upholstered headboard is an inset mirrored area with a two door cabinet fore and aft. Above are two opening stainless steel portholes, duette shades and reading lights.

Aft of the berth is a two drawer nightstand with telephone and light switches.

Next forward is a cedar lined lighted hanging locker with a mirror on the exterior of the door. At the foot of the berth in the forward corner is a curved corner cabinet with two doors below, two open shelves and a LCD TV above. Also in this stateroom is high gloss cherry wainscoating, seven overhead mini spots.

**VIP Starboard Guest Cabin Head** Entering the Guest Head you will see a china sink, Grohe fixtures, bull nosed marble countertops that match the sole and a Microphor china toilet. The stall shower has a clear glass door with sidelight, a fiberglass stall shower and a hand held or wall mountable Grohe fixture. Also in this head is an exhaust fan, an AC outlet and four overhead mini spot lights.

**Captain's Quarters** Captain's Quarters is accessed from the common area and has queen size berth against the outboard bulkhead. Below the berth are two storage drawers and rope trim molding. Above the berth are four cabinets with a mirrored inset area centerline. Above is a shelf with two portholes and blinds. At the foot of the berth is a LCD flat panel TV and a full size lighted hanging locker with a mirrored door.

Inboard of the berth is a two drawer nightstand with a reading lamp above. **Captain's Head**

When entering the Captain's Head you will see marble flooring, a china sink with a marble top, a Grohe faucet, three mirrored medicine cabinet doors and a Microphor head. The fiberglass stall shower has a seat, a bi fold glass door, a handheld or wall mountable Grohe fixture, a light and an exhaust fan. Also in the head are three halogen mini spots overhead. **Crew Cabin**

Next forward of the Captain's Cabin is the Crew Cabin with two bunk beds with storage below. Above is a screened overhead deck hatch. To starboard are four cabinets above two large cabinets below. The crew cabin also has a cedar lined hanging locker with a mirror on the outside of the door. **Crew Head**

When entering the Crew Head you will see marble flooring, china sink with a marble top, a Grohe faucet, three mirrored medicine cabinet doors and a Microphor head. The fiberglass stall shower has a seat, a glass door, a handheld or wall mountable Grohe fixture, a light, and an exhaust fan. Also in the head are three halogen mini spots

## overhead. **Flybridge**

The spacious flybridge is accessed from either the aft deck or the curved steps in the galley area.

All electronic controls, gauges, radar & plotting screens are convertible from being totally concealed under a completely flat panel when not in use, or brought into the upright position by hydraulic control lift.

Aft of the steering station is a wonderfully roomy entertainment area with several seating stations: a custom fabricated quarter-moon inlaid wooden wet bar is fronted by three bar stools backed by a barbeque grille. An icemaker is conveniently located alongside the wet bar, with refrigeration behind the helms bench seat. Lots of storage everywhere you look, and if you want to relax in the sun there is also a very roomy Jacuzzi.

Aft of the entertainment area on JAG 80 is the storage area for the Novarania 6-passenger hard bottomed inflatable (60hp Yamaha 4-stroke outboard), as well as the life raft.

## **Electronics and additional information for Flybridge**

Custom designed windscreen

Custom arch with pre-engineered locations for electronics, antennas, radar, lighting, horns and navigational lighting

Helm chairs (one single, one double)

Peninsula shaped bar with varnished wood countertop, sink, and electric grill on the port side Refrigerator under aft bar counter

Three (3) stools at bar

Corian counter forward of the bar on the port side with refrigerator underneath

Adjustable sunpad lounging area

Outdoor seating group, split into port and starboard sections with bright work table for each section

Storage for yacht dinghy

Access sliding hatch to main deck level

Access hatch to aft deck via ladder

Fully instrumented console for operation to include all controls and accommodate electronics

Control for bow thruster

Electronic engine controls, combination clutch and throttle

Hydraulic steering, power assisted

Access to stairs descending to main deck

Hydraulic davit with remote control, starboard side concealed into styling line, with telescopic and power rotation features

Stainless steel dinghy chocks convert to aft bridge deck guard rails

Controls for house sound system **Aft Deck**

When boarding on to the JAG 80 from the side aft deck you may choose to step down to the swim platform. Here you will gain access to an immaculate engine room, the starboard storage pod containing dive gear & air compressor or the portside storage pod which accommodates the jet-ski.

The aft deck has comfortable seating for six guests with a built in banquette aft (which doubles as a storage locker) and four teak chairs surrounding a glossy wooden dining table. On the aft deck you can also access the flybridge via a stainless ladder. There are hinged fiberglass boarding both on the port and starboard side of the ship. **Aft Sport Deck**

When you are going down the stairway on the aft deck you will enter into the Aft Sport deck where you will have access to the engine room and also the two pods on either side containing the two Jet skis. KVH Satellite

Stabilizer controls at Helm

Delta T fan speed controls at Helm

Sea Tel Trac 92 SAT TV system

Extron DVS video scaler

Cell phone handset

Sat phone handset

ISIS ship board monitoring system

(6) SAT TV receivers

Robertson AP20 Auto pilot w/AP21

Simrad VHF Radios

(2) Extron VSC 100 digital video converters

MTU Blue Line electronic controls

120 volt TV amplifier

KVH electronic compass

HP Pentium 4 Navigation computer with Noble tech software package

Furuno FCV 582L color depth sounder

Telephone

Panasonic PBX telephone system with SAT and cell phone interface

(2) Auxiliary speakers for VHF radios

Raytheon 430 loud hailer with forward and aft speakers

15" VEI daylight viewable color monitor **Electrical System**

24 volt Glendinning cable master

100' 100 amp 240 volt shore cord

(2) Digital AC frequency meters in Engine Room Panel

(4) Digital AC amp meters in Engine Room panel

(4) guest battery switches

24 volt battery charger

(4) Deka Group 24 maintenance free batteries for thruster and windlass

(2) 8D main engine batteries

Charles Ind. 24 KVA isolation Transformer

(2) Generator battery switches

Electronic Battery switch

Electrical bonding system

(2) 21 KW Onan Generators Port 5794 Stbd 6047

Charles Ind. 30 amp 24V battery charger for thruster and windlass

12 V battery charger

(2) 4D generator batteries

(2) Digital AC voltage meters in Engine Room panel

Digital DC volt and amp gauge with (6) selector points

Charles Ind. Smart Y converter box

International Navigation lights 24V

Alarms for engines, reduction gears, bilges and generator **Engine and Mechanical Equipment**

ABT Trac Stabilizer System

35 gallon clean oil storage tank

35 gallon waste oil storage tank

Head Hunter water tank sentry connected to ISIS monitoring systems

Anti surge tank for water system

Micropher toilet system (6 toilets)

Head Hunter waste tank Sentry connected to ISIS monitoring system

(11) 220 volt air handles- lower decks with heat strips

Cruise air SMX controllers throughout

(2) 24 volt Pod door hydraulic pump units with remote openers

Airsep crankcase ventilation system

Work bench with vise on top of starboard generator

Sea strainers for main engines and generators

Automatic and manual Fireboy fire protection system

Aircraft type stainless steel fuel lines

Blue Line MTU electronic control system

Underwater exhaust with idle bypass

Engine Room mechanical gauges

Chrome package for engines

Dripless shaft seals

Electronic Blue Line engines synchronizers

200 Gallon holding tank

---

Sea Recovery 1200 GPD watermark with fresh water rinse

Rule 24 volt retrieval winch for Jet Ski

Fresh water wash down system in engine room

Stainless steel rudders

Dual Racor 1000 Fuel Filters with Vacuum gauges and stainless steel braided hoses

Manual engine room gauges

40 gallon hot water heater

3 hp 240 volt main bilge pump manifold to three bilge compartments

(3) Automatic 24 volt bilge pumps

Diamond plate sole in Engine Room

AC and DC fluorescent Engine Room lights

(2) Oilless air compressors

(2) 120V air compressors 42,000 BTU, 30,000 BTU, and (2) 24,000 BTU reverse cycle Cruiseair compressors

Acoustical and thermal insulation in Engine Room

Tuthill 120V oil change pump

Hynautic power steering pump off port engines

Bell and Gossett 120V AC hot water circulating pump

220 volt Sealand diaphragm type sewage

Engine Room camera

Media filter for water system

120 volt chemical free U-16 ozone generator for water system

Sleipner Side Power 48 volt 20hp Progressive Thrust bow thruster

Rolla five blade propellers

3" Aquamat 2 HS main prop shafts

Discharge pump

220V AC raw water air conditioning pump

Head Hunter Mach 5 230V pressure water pump

Par Max 3, 24 volt backup pressure water pump

(2) Storage cabinets in Engine Rom

(2) Delta T frequency controlled axial Engine Room fans.

### **Additional Features**

(2) Brand new Kawasaki 4 stroke Jet Skis

(2) Brand new pod doors to hold Jet Skis

### **Exclusions**

While every effort was made to list all pertinent included equipment aboard JAG 80, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

---

## **Exclusions**

Owner's personal belongings.
