DETAILED INFORMATION

Description

The GUNBOAT 78 delivers renowned Gunboat performance with her obvious luxury. A whisper of wind leads to acceleration you can feel. Her waterline enables smooth sailing without motion. Beyond this size requires a quantum jump in crew and crew space, without much increase in space dedicated to the owner and guests. The GUNBOAT 78 is a testament to experience, clear thinking, and cleverness. She is for owners who love sailing and understand exactly what they need from a large yacht without going to gauche proportions and expense. ***Call Listing Agent for Pricing information !!!***
