Model Year: 1999

Year Built: 1999

Country: United States

Vessel Top: Bimini Top

Dimensions

LOA: 46' 6" (14.17m)

LWL: 42' 0" (12.80m)

Max Draft: 6' 3" (1.91m)

Clearance: 62' 8" (19.10m)

Speed, Capacities and Weight

Displacement: 26750 Pounds

Water Capacity: 214 Gallons

Holding Tank: 66 Gallons

Fuel Capacity: 84 Gallons

Accommodations

Total Cabins: 2

Total Berths: 2

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Fiberglass

Hull Configuration: Fin & Spade

Hull Finish: Plastic

Hull Designer: Gerry Douglas

Exterior Designer: Gerry Douglas

Interior Designer: Gerry Douglas

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 4JH2 HTE

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations and Features

Master Cabin

- Satin varnished finish with gloss trim on interior wood surfaces
- Teak and holly veneer sole
- Teak veneer bulkheads and teak trim
- Hanging locker, 3 drawers, 3 large storage cabinets with shelves
- Inner spring queen mattress on berth with memory foam and washable mattress cover
- Portlight shades and screens
- Vanity desk with mirror and seat
- Private entrance to aft head
- Built in night stands with drawers and lighting sconces
- Water maker panel
- Large top access locker under berth

Guest Cabin

- Satin varnished finish with gloss trim on interior wood surfaces
- Teak and holly veneer sole
- Teak veneer bulkheads and teak trim
- Sunbrella pillow shams and mattress cover
- Portlight shades and screens
- Guest stateroom forward features large queen berth (inner spring mattress w/custom sheets) with additional storage under berth
- Hanging lockers, shelves w/ private head with shower
- Custom cabinet/storage forward of shower (in place of original washer/dryer)

Saloon

- Satin varnished finish with gloss trim on interior wood surfaces
- Teak and holly veneer sole
- Teak veneer bulkheads and teak trim
- Entertainment center with color TV and cable in main saloon with remote control
- Settee seating to starboard
- Built-in upholstered contoured seating on port
- Custom leather upholstery (new 2002)
- Portlight shades and screens
- Large custom dinette, gloss finished dining table to port (seats 10)
- Two (2) Bose 151 speakers in main salon

Galley

- Satin varnished finish with gloss trim on interior wood surfaces
- Refrigeration system, DC powered with divided refrigerator (2) and freezer (1) compartments
- Built-in Princess microwave oven, AC powered
- LPG, 3 burner stove and gimbaled oven with lock
- Stove hood with light and power vent to exterior
- Separate pump for ice box discharge
- Large top loading refrigeration
- Deepdouble stainless steel sink with storage below and cabinet with light above
- Soft composite galley sole
- Portlight shades and screens
- Multi drawer bank and storage cabinet
- In-counter trash chute to under counter bin
- Overhead cabinets with glass and dish storage
- Formica and Corian counter tops

Interior Nav Station

- Teak and holly veneer sole
- Teak veneer bulkhead and teak trim
- Chart table with storage
- Extensive vessel inventory
- SEA 235 Single Side Band
- Wema Tank Level Indicators
- Xantrex Inverter panel
- Raymarine E120 Hybrid Touch Chartplotter
- Perko shore and generator power selector switch and breaker aux panel
- Fischer Panda generator remote start panel
- Sony cassette/receiver/CD controller/10 CD changer w/ remote control

Cockpit

- Twin helm cockpit with contoured coamings
- Twin catbird seats
- Custom seat cushions (white w/ grey piping)
- Waterproof speakers (2)
- Fiberglass cockpit table with two leaves
- Molded table top cup holder with storage
- Walk through stern with transom boarding platform and storage lockers
- Stern boarding ladder with contour treads
- Navstation
- Raytheon ST80 instruments package
- Raymarine E120 Hybrid Touch
- Two (2) Multi views and Wind display in cockpit
- Engine Temperature Gauges

- Hot and cold transom shower

Spar and Rigging (Inspected in 2014)

- Double spreader masthead rig
- Mainsail, dacron, with two reef points
- Ball bearing mainsail slides on mast track
- 150% Furling genoa, dacron with UV protection
- Complete standing and running rigging
- Internal pre-stretched dacron rope halyards
- PVC wiring conduit with messenger in mast
- Two (2) two speed self-tailing primary winches
- Two (2) speed self-tailing halyard winch, port
- Electric main halyard winch, starboard
- Halyards and vang control lines led aft
- Port and starboard line storage compartments
- Three (3) 10" winch handles
- Mainsheet traveler with car and multi-purchase adjuster system
- In-mast main sail furler system
- Inboard genoa tracks with ball bearing cars
- Single line mainsail reefing system
- Boom vang, stainless steel with multi-purchase adjustment

Deck Hardware and Features

- One piece fiberglass deck, white with grey two-tone
- Twin helm cockpit with contoured coamings
- Fiberglass cockpit table with two leaves
- Walk through stern with transom boarding platform and storage lockers
- Stern boarding ladder with contour treads
- Double lifelines with gates port and starboard
- Mooring cleats, two fore and two aft
- Midship spring line cleats
- Midwatch blue and silver sheer stripe
- Molded-in gel coat waterline, midwatch blue
- Large double anchor rollers on foredeck
- Electric anchor windlass, power up and down controls with foot switches
- Anchor locker forward with divider and two scuppers
- Stainless steel hand rails on cabin top
- Cockpit cushions
- Stern rails with observation (catbird) seats, port and starboard, with cup holders
- Molded-in landing for dodger
- Anodized aluminum toe rails

Propulsion and Steering Controls

- Dual station, independent, pedestal controlled steering
- Ritchie Compass with light at port and starboard steering stations
- Centrally mounted Yanmar engine instruments
- Single lever engine controls on starboard side
- Steering brake in wheel hub
- Twin stainless destroyer wheels
- Emergency tiller
- Yanmar 75hp turbo fresh water cooled diesel engine with reduction gear
- Sea water strainer on cooling inlet
- 3-bladed (non-cavitating) bronze propeller
- Bilge blower and ventilation system

Plumbing Systems

- Pressure water distribution with filter at pump
- Manifold tankage with cleanouts
- 20g water heater with engine heat exchanger and 115V element
- Macerator pumps for overboard discharge of holding tanks (Ronco Poly-ethylene Plastic), (2) independent waste systems
- Forward and aft Dometic Vacu-flush heads
- Complete head compartment forward and aft with separate shower compartments
- Hot and cold transom shower
- Manifold for water (5) tanks (Ronco Poly-ethylene Plastic)
- Diesel fuel: 84 gallons in (2) aluminum tanks with selection valves and filters
- Dockside water pressure system

Electrical System

- Standard Intrepid VHF radio, dual station with RAM microphone and antenna
- Raytheon ST80 instruments package
- Masterview at navstation
- Two (2) Multi views and Wind display in cockpit
- Three heavy duty 12 volt DC marine batteries (house bank)
- Marine battery charger, multi-bank automatic
- International navigation lights
- Foredeck and steaming lights
- 115V 30 amp shore power and adaptor
- Masthead (replaced in 2014)
- 12 volt DC lighting throughout
- Custom 115V AC/12V DC electrical distribution panels
- Separate main breaker panel and windlass control
- Circuit breaker for AC/DC electrical circuits
- Ground fault circuit protection
- AC duplex receptacles throughout

Sail Area

I : 62'8" J : 17' P : 55' 11" E : 20' Total Sail Area : 1092 sq ft

- 150% Furling genoa, dacron with UV protection and sheets, (for Tall rig)
- Poleless cruising spinnaker with sheets, 1.5 oz. nylon, (for Tall rig)

- Tall rig mast
- Diesel generator with fresh water cooling, sound shield (add'l sound proofing 2014)
- Interface switching panel and controls
- Safety and equipment package
- MarineAir air conditioning and heating, reverse cycle system (three units with individual controls)
- Bow thruster, 7hp

Manufacturer Description The challenges of extended offshore cruising have been met with a display of strength, innovative design, and engineering that clearly define the Catalina 470.

A unique, structural fiberglass grid is bonded to the hull and provides both strength for the hull and a massive foundation for securing bulkheads, equipment, engine, and tanks. Below there is a new standard of functionality and comfort.

The galley is remarkable in its amount of cold, consumables, and equipment space. The generous deck beam is carried well aft providing for an expansive cockpit with twin steering stations and large master stateroom below.

The nav station contains all necessary readouts. For easy maintenance, centrally located equipment clusters offer easy access to all pumps, valves, and filters. At every turn, equipment and systems have been engineered to the most demanding bluewater specifications: the first ever articulated traveler rotates fore and aft, spreading the load evenly over bearing surfaces for smoother main sheet handling and more precise trimming. Custom cheek blocks and raised genoa tracks guide sheets straight aft to large, powerful winches. Moreover, a powerful, double spreader rig and generous sail plan are balanced to deliver a remarkable combination of high performance and ease of handling.

Exclusions

Owner's personal belongings.
