SPECIFICATIONS

Overview

Over \$70,000 Price Reduction! Built by one of the top tier Florida builders, the Huckins 44 is not only beautiful but a top performing vessel designed to navigate any sea with comfort and safety. Her eye-catching traditional down east style design is a complement to her dry, soft riding Foam Flyer hull, which is a Huckins exclusive. The build quality and design will impress but the ride is what makes this vessel stand out.

Her LOA is 50 feet with a well thought out interior and above deck layout. It's perfect for the weekender or long distance adventure.

The 44 Features:

- Master forward with ensuite head
- Large cabin with beautiful teak cabinets
- Teak and Holly sole
- Gourmet galley
- Raised helm deck with seating
- Excellent electronics
- Dependable Cummin's Common rail power
- Bow Thruster
- Fantastic economy

Vessel Operation

The Freedom 44 has a LOA (Length Over Air) of 50 feet, a 13' beam, 2' 7" draft and reported weight of 30,000 lbs. She is powered by very responsive, clean burning Common Rail Cummins QSB 480 HP engines coupled with a Hamilton water jets propulsion system that provides a respectable 22 Kt cruise @ 3000 RPM's and burning only 33 GPH total.

Freedom was designed as a shallow draft vessel. With a 2' 7" draft, she is ideal for cruising the Bahamas, Keys and the coastal areas of the US. It is a pleasure to easily navigate the shallows and go without hesitation where no shaft drive boat would dare to venture.

Docking ease of operation is provided with her joystick control and the use of her bow thruster as needed. You simply point the joystick in the direction you want to go and the boat does the rest. The owner operator or seasoned captain will love how responsive and easy the incredibly dependable Hamilton system is to operate, especially when docking in tight areas.

2018 Service Completed

- 1000 hour service at Florida Marine Tech
- Hamilton Jet service
- Hamilton control module replaced

- Bottom and running gear painted
- Hull and top sides detailed

Salesman's Remarks

The Freedom was designed as a couples boat with ease of operation and maintenance without crew. She is the perfect choice for local excursions or long distance exploring. Her shallow draft and dependable power package makes her easy to operate and a breeze to maintain.

The trunk style cabin not only complements her beautiful down east look but in addition makes the entire cabin area roomy with a comfortable open airy feel.

Anyone considering a cruiser, small motor yacht or pilot house with a desire to cruise without crew in modern great running efficient vessel should make seeing the Freedom a priority.
