# DETAILED INFORMATION

---

## Lady Gemini Description

---

Very seldom does a boat like this, in history come back to market. This 65 Monterey (originally built as the Gina Lisa), owned and captained by top professionals, has gone through a total refit from top to bottom over the last 2 years. The original Kevlar hull was tops in her day. This boat was gutted and rebuilt and refit by professionals. You can read through and see all the components that were installed to make her a head turner. Fast, nimble and with all the bells and whistles make this one to be on your short list. The exterior look of a custom and interior look of a Viking, the current owners have taken great pride in returning Lady Gemini to her glory days as an awesome sport fish yacht! ALL TRADES CONSIDERED. **\*\*NOTE: This boat was manufactured in 1991, however, received a major overhaul including engines. Engines are a 2012 model and the interior overhaul was completed in 2017.\*\***
