SPECIFICATIONS

Overview

"Preliminary listing"

Motivated seller ready to move on.

The Hatteras 54 Convertible is designed specifically to deliver a smooth ride while operating at high speeds. The convexity in the hull shape helps make this hull immensely strong. It offers exceptional fishing and cruising layout. Her three stateroom, two head layout and ample cockpit make it very comfortable. Naville has been captain maintained since new and with only 2,360 hrs make her a steal.

Some upgrades and options include:

- New bottom paint (Sept 2017)
- New Liners

DYSID:3148441

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3412

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

The Hatteras 54 Convertible is designed specifically to deliver a smooth ride while operating at high speeds. The convexity in the hull shape helps make this hull immensely strong. The slight outward curvature (viewed from keel to chine) reduces impact accelerations and contributes to an incredibly smooth head-sea ride. Traditional Hatteras double chines are incorporated into the hull design to provide the Hatteras dry ride. A slight twist in the hull bottom - better defined as a variation of deadrise with length - provides flatter sections in the aftermost portion of the hull. These sections reduce resistance, improve handling at low speeds and increase transverse stability while planing. Access to the spacious (150 sq. feet) flybridge is gained from a ladder on the outboard port side of the cockpit. This one-piece molded bridge will delight the seasoned captain for its ergonomic layout and sheer space. The helm station with its pod console takes center stage. The ergonomically positioned steering wheel (with power steering and a rudder angle indicator) and single-lever electronic engine controls, fitted with mechanical backups and trolling valve switches, are comfortably operated seated or standing. There is plenty of room for a comprehensive suite of electronics on the angled flats. Guest seating is provided to port on the molded fiberglass lounge with removable cushions (and storage below) and to starboard on the L-shaped bench seat. An insulated drink box is included. Whether you opt for a Bimini, hardtop, or full enclosure with tower, the flybridge offers a rich mix of fresh air, a breathtaking view and quiet surroundings to enjoy with family and friends.

Dimensions

- Beam: 17 ft 3 in
- LWL: 46 ft 0 in
- Maximum Draft: 4 ft 2 in
- Bridge Clearance: 13 ft 10 in
- Headroom: 6 ft 6 in
- Freeboard: 2 ft 11 in
- Dry Weight: 74000 lbs

Tankage

- Fresh Water Tanks: (192 Gallons)
- Fuel Tanks: (1250 Gallons)
- Holding Tanks: (91 Gallons)

Accommodations

- Number of cabins: 3
- Number of heads: 2

Additional Description

The 54 is designed for serious sportfishing. The cockpit boasts 149 square feet of open space where every element and dimension has a purpose. Fishing amenities include a bait and tackle center with sink, cutting board and tackle drawers; a bait freezer; storage console with drawers, four rod holders; a removable, full sized (80-inch) in-deck fish box with macerator and an amply proportioned transom door. This cockpit also features awesome storage. Note the cleverly designed chill box under the steps and the insulated storage bin below the flybridge ladder. In addition, storage lockers with hinged doors are located below the port and starboard cockpit coamings. Other standard features include full-length toe kicks with foot pedal access to the cabinets and seawater and freshwater washdowns.

Exclusions

Owner's personal belongings.
