SPECIFICATIONS

Overview

The Maritimo 52 MY is one of Maritimo Offshore's most popular designs. Built to handle heavy weather this vessel has an enclosed bridge and enclosed staircase. Wide bow flare makes for a dryer ride and docking made easy by two docking stations and remote thruster operations.

Her interior is designed to maximize livable space with optimal storage. Polished wood throughout raises the bar for comfort and style. Galley aft is non traditional and makes good use of storage and design. Cabin space has side wing doors for side deck access. Aft sliding door goes to cockpit with docking station and BBQ.

Staterooms include owners, guest and bunks which two full heads support. Washer dryer and dishwasher make living aboard easier for longer trips. Large fuel tank and water tanks give this vessel a longer range away from the dock. Power is high output Cummins QSM11 turbo's with 715 HP each. Onboard power is 21.5 kw Onan which is ample to keep the AC's running and the services working.

From its ingenious design and thoughtful engineering to the swathe of lavish appointments from the water up, everything aboard the Maritimo 52 has been designed with one thing in mind - long-range luxury cruising. However, with four entertainment precincts, partying with friends also comes naturally. On the main deck, rear doors slide right open to expose the cockpit, island barbecue and access to the swim platform while the flybridge is capable of accommodating as many guests as the saloon - and has its own balcony. On a Maritimo, performance is also part of the entertainment. Open the throttle and the 52 eases quickly up to cruising speed. With engines positioned forward to give the shafts a minimal 9 degree entry, the five bladed props can attack the water at the most efficient angle. The variable dead rise hull ensures the transition from sub-planning to planning speeds is effortless and the combined set-up delivers poise, balance and unrivaled fuel efficiency. In fact, no other motor yacht looks, feels or performs like it.

Manufacture Provided Description

Basic Information

Category: Sport Fisherman

Model Year: 2008

Year Built: 2008

Country: Venezuela
