## Overview

---

This 48' Vanquish 2016 is absolutely stunning. Her bright white Awlgrip paint job and Ferrari red seating gives a presence on the water like no other. Twin Cummins Diesel 600's propel the vessel at speeds of 40kts. The CG's of the vessel have been engineered to ensure a soft dry ride even at higher speeds.

# DETAILED INFORMATION

---

## Walkthrough

---

Entering the vessel from the aft swim platform, there is a large sunbed covered in premium grade Red Ferrari Silverguard. This material is soft to the touch and very resilient to saltwater, sun, and lotions. Moving forward is the large L-shaped couch centered by an oversized table with plenty of built in drink holders and ample room for dining or casual snacks. There is a custom built stereo system which covers the entire vessel in crystal clear sound no matter what type of music you enjoy. The high quality aluminum acts as the perfect conduit of all mid's highs and bass being played at any level. Forward is the helm station where all ships navigational and operational electronics are at fingertip reach. There is a large custom windshield surrounding this area and runs 3/4 aft. Overhead is the custom low profile Bimini top which provides shade and keeps the sleek look of the vessel as well. All exterior decks are covered in synthetic teak. There is yet another sunbed forward of the massive windshield as well as seating area including table situated in bow.

Downstairs there is a galley to starboard and an oversize head /shower to port. There is a large pantry and plenty of drawers for silverware, pots, and pans. Forward is a large V berth which is centered by a table. This table drops and this area converts to an immense sleeping area.
