DIMENSIONS

General

Length Overall: 125.00 feet (38.10 meters)

Beam: 27.72 feet (8.45 meters)

Draft (loaded): 6.82 feet (2.08 meters)

Tonnage: 320 gross

Capacities

Fuel Capacity: 6,604 US Gallons (25,000 liters)

Water Capacity: 1,056 US Gallons (4,000 liters)

Speed

Maximum: 22.0 knots

Cruising: 17.0 knots

Economical: 12.0 knots

MACHINERY

Main Engines

Engine Type: • (2) MTU 12V2000 M94 diesels @ 2,636 Hp each

Gearboxes for Main Engines: • (2) ZF 3070, reduction rate 1.645:1

Drive: • (2) Azipulls Rolls-Royce AZP65C

Generators & Electricity

Output: • 400 V AC / 3 phase / 50 Hz

Generators: • Kohler 70EFOZDJ 14 Lph (3.7 gph) Generators with 70kW

Generator Fuel Consumption: • 100% load 19.5 Lph (5.2 gph)

• 75% load 14 Lph (3.7 gph)

Shore Power: • Asea 70Kw 400 V AC / 3 phase / 50 Hz

Air Conditioning

Type: • Climma Marine

Other Machinery

Watermakers: • IDROMAR reverse osmosis water makers

(capacity 7,100 l / day sea water temperature)

Trim Tabs/Stabilizers: • CMC Stabilis Electra SE80-7 kW 400 V AC 3 phase 50 Hz

Bow Thruster: • CMC BTM50 with electrical motor of 45 Kw 400V AC 3 phase 50 Hz

Steering System: • Azipulls Rolls Royce AZP65C

Sewage System: • Tecnicomar (ecomar 16)

COMMUNICATION, NAVIGATION & ENTERTAINMENT SYSTEMS

Communication Systems

Telephone System: • Small Business VoIP server and gateway,

2 external lines, up to 15 internal

- (1) Rack 2U
- (4) Cisco SPA502 IP phone

VHF: • (2) Furuno FM 4721

Intercom: • CANTALUPI

Navigation Systems

Radar: • (2) Furuno FAR 2107

Magnetic Compass: • (1) Rivera

Auto Pilot: • SIMRAD with black box AP-70

Depth Sounder: • Furuno Navnet integrate

GPS: • Furuno GP320B

Laser Plotter: • Navnet 3D

Wind/Speed Log: • Furuno RD33

Entertainment System:

a. CREW MESS • (1) TV 19" LCD HD ready - 16:9 • (1) micro Hi-Fi - AM / FM tuner - DVD player • (1) pair of loudspeakers • (1) iPod docking station
 b. GUEST CABINS • (1) TV 22" LCD HD ready - 16:9, • (1) audio video receiver - AM / FM tuner - HDMI input / output • (1) Blue Ray Player • (1) pair of loudspeakers • (1) integrated RF/IR remote control • (1) Apple Airplay Audio interface
 c. VIP CABINS • (1) TV 26" LCD HD ready - 16:9 • (1) audio video receiver - AM / FM tuner - HDMI input / output • (1) Blue Ray Player • (1) pair of loudspeakers • (1) integrated RF / IR remote control • (1) Apple Airplay Audio interface • (1) Car stereo - AM / FM tuner - CD player • (1) pair of loudspeakers
 d. OWNER'S CABINS • (1) TV 40" LED full HD 1080P - 16:9 • (1) audio

video receiver - AM / FM tuner - HDMI input / output • (1) Blue Ray Player • (1) high quality speaker system surround 5.1 with powered subwoofer • (1) integrated RF / IR remote control • (1) Apple Airplay Audio interface

e. MAIN SALOON • (1) TV 40" LED full HD 1080P - 16:9 • (1) audio video receiver - AM / FM Tuner - HDMI input / output • (1) Blue Ray Player • (1) high quality speaker system surround 5.1 with powered subwoofer • (1) integrated RF / IR remote control • (1) Apple Airplay Audio interface • (1) pair of loudspeakers
 f. MAIN DECK • (4) marine speakers 8"
 g. WHEELHOUSE • (1) micro Hi-Fi - AM / FM tuner - CD player • pair of loudspeakers
 h. SKY LOUNGE • (1) TV 40" LED full HD 1080P - 16:9 • (1) audio video receiver - AM / FM tuner - HDMI input / output • (1) Blue Ray Player • (1) high quality speaker system surround 5.1 with powered subwoofer • (1) integrated RF / IR remote control • (1) Apple Airplay Audio interface
 i. UPPER DECK / SUN DECK / BEACH AREA • (4) marine speakers 8" • (2) marine speakers 8" • (1) marine CD / mp3 Player - radio tuner (Sun Deck) • (4) marine speakers 8" (Sun deck • (2) marine speakers 8" (Beach Area) • (1) Car stereo - AM / FM tuner - CD player (Beach Area)

GALLEY & LAUNDRY EQUIPMENT

Main Galley Equipment

- | | |
|------------------------|------------------------------|
| Cooking Equipment: | • Miele Cooking top and oven |
| Refrigeration/Freezer: | • Miele K11820 SD |
| Dishwasher: | • Miele G6995 |

Additional Galley Equipment

- | | |
|------------------------|-------------------|
| Cooking Equipment: | • Miele Microwave |

Anchors: • (2) galvanized steel High Holding Power HHP /POSIDONIA of the

weight of 160 kg each

Anchor Chain: • (2) Maggie Cantene 137.5 mt, 14 mm zincplated, without link stud

Boat Crane and Davits: • (1) Cosnav

Passerelle: • (1) Cosnav

SECURITY, FIRE FIGHTING & SAFETY EQUIPMENT

Fire Fighting Equipment

Fire Control System: • Electric pump

Fire Extinguishers: • Yes, according to classification

Alarms: • Autronica

Safety Equipment

Life Rafts: • (2) Eurovinil

Flares: • Yes, according to classification

Medical Equipment: • Yes

ACCOMMODATIONS

MAIN DECK One can board the vessel either by the side-boarding ladder amidships or by the telescoping passarelle. This deck consists of the master stateroom near the bow, the galley to the port side, dayhead to starboard, a beautiful main salon, and aft deck. The entire exterior deck is laid with teak while the interior design uses a combination of carpet and stone.

With the large settees and cocktail/ dining table, the aft deck is a popular place for guests. The table can be quickly expanded, raised, and lowered to suit. A large double glass door opens automatically to provide entrance to the main salon. Access to the swim platform/beach club or bridge deck is also provided via large built-in, teak-laden stairs.

The Main Salon of IRON MAN has been designed to be used and enjoyed by guests rather than being an afterthought. Beautiful, comfortable lounge-style sofas provide a relaxing place to watch the world go by through large, full-height windows. The visibility and light in the main salon are extraordinary. An interior formal dining table comfortably accommodates a party of 10 guests. The Galley is located amidships on the port side and consists of the main galley with a stewardess pantry for guest services. The Master Stateroom is beautifully framed between 4 huge windows, 2 to port and 2 to starboard. Because these windows are split horizontally rather than vertically, it allows the owner to see the ocean and horizon while seated, standing, or lying down. A king-sized bed on the centerline has custom designed side tables and a large flat screen TV on the

forward wall.

The his-and-hers bathroom is beautifully decorated with matching gray granite on the floor, counter tops, and shower. Each person has a private head, sink, and vanity while sharing an oversized rain shower in between.

LOWER DECK The lower deck is home to four guest staterooms amidships, the crew quarters in the bow, the engine room, tender garage, and beach club. Moving down from the center guest foyer, you will find four beautifully appointed guest staterooms. The 2 aft staterooms have queen-sized berths, and the 2 forward rooms are fitted with twin berths and a Pullman berth. All feature large en suite bathrooms, and full entertainment systems. Crew Quarters Accessed from the galley area at the bottom of the stairs to port is a crew mess and crew galley. On the port side is a laundry facility with a Miele washer and dryer. Forward of this are 3 crew staterooms, each with 2 twin berths and en suite bathroom facilities.

Engine Room The Engine Room is accessed via doors and stairs from the port main deck walk around. IRON MAN is equipped with all of the latest state-of-the-art mechanical equipment for world-wide cruising, including the main engines, generators, zero-speed stabilizers, and air conditioning.

Tender Garage A starboard hull garage door opens to allow storage and launching of a Williams 445 jet tender and wave runner.

Beach Club Swim Platform The Beach Club and Swim Platform are the focal point of all water activities on the boat. When open, guests have a full beam water deck to enjoy any kind of watersports or simply relax in front of the beautiful view.

BRIDGE/SKYLOUNGE DECK This deck is a beautiful combination of design elements that allows you to easily connect the large upper aft deck and the full-beam skylounge with a series of connected full height sliding glass doors. With the glass closed, you have two separate areas, one air-conditioned and one with fresh air, that both have beautiful views across the horizons. With the glass doors open, you have a massive deck capable of hosting any number of guests. On the Upper Aft Deck, beautiful freestanding settees can be used for relaxing or sunbathing. Just under the covered area is a large dining table that can be expanded to accommodate up to 12 guests.

The Wheelhouse is very well-designed with state-of-the-art equipment, excellent visibility, and substantial space for crew on watch. In addition to a full suite of navigation and communication equipment for full commercial operation of the yacht, the Captain's Quarters are located conveniently nearby with a full berth and en suite bathroom. **FORWARD SUN DECK** The Forward Sun Deck of IRON MAN is a feature not commonly found on yachts of any size. Effectively a 5th sun deck for the guests, the unique feature of the area is the Jacuzzi that is built into the middle of a massive outside lounge area. This sun deck is perfect for privacy when backed into ports around the Mediterranean. It is easily covered with umbrella-style shades to filter the sun on hot

days, or it can be left uncovered for those seeking full sun.

SUN DECK Guests can enjoy a massive sun deck, featuring a full service wet bar. In addition to the five built-in barstools, the large cushioned teak settees on the starboard side are a perfect place to enjoy a cocktail and watch game on the 42-inch flat screen behind the bar. Two multi-function tables that have the capability to be expanded and raised/lowered to suit any occasion, complement the settees. A retractable awning, built into the fiberglass hardtop, allows you to enjoy this area in sun or shade as preferred. To the aft of the deck are 4 oversized, cushioned chaise lounges for sunbathing that can be protected by the built-in umbrellas to either side. The entire deck is covered in teak to provide an elegant, comfortable setting.

COMMENTS

With an ultra-modern interior design and décor influenced by the well-known superhero who was enthralled with invention and technology, IRON MAN is a sporty, state-of-the-art vessel, and is the first of 5 launches in the Benetti Vivace 125 series. Sharp and dramatic, her interior boasts accommodations for 10 guests in 5 staterooms, which include a lavish master suite, 2 queen VIPs, and 2 twins. A fast-displacement hull form gives the yacht the advantages of a displacement hull at low speeds, with those of a planing hull at fast speeds. • Popular Benetti Vivace 125 series • Interior decor by Redman Whitely Dixon • Accommodations for 10 guests in 5 staterooms; full-beam, on deck master suite, 2 queen VIPs, 2 twins • Well-planned exterior decks boast 4 spacious areas for relaxation and entertainment • 40% lighter superstructure built of carbon and epoxy resin • Upper deck devoted to a well-equipped fitness center • Revolutionary fast-displacement hull form • Twin MTU 12V2000 M94 engines; max speed 22 knots, cruising speed 17 knots • At anchor stabilization • Classed to RINA Comfort Class, demonstrating her quiet propulsion system

- Exclusions include all of Owner's personal effects - "All speeds, capacities, consumption, etc. are approximate or estimated; measurements can also be approximate. Specifications are provided for information only and particulars herein obtained from sources believed to be correct, but are not guaranteed. Buyer should instruct his agent and/or surveyor to check all details for accuracy. Offered subject to prior sale, price and/or inventory change, or withdrawal from the market without notification."

Exclusions

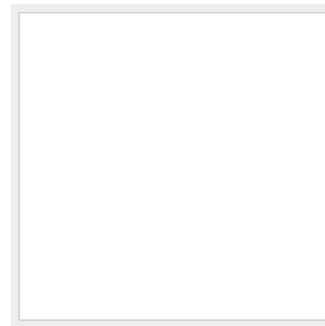

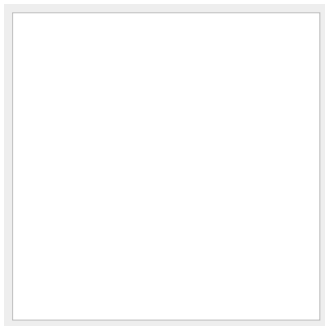

Owner's personal belongings.
