Vessel Information

SLIP STREAM (a 2017 Viking 75 MY) is the first pre-owned Viking MY available for purchase. Built in the USA by the master craftsman at the Viking Yachts facility in New Gretna, NJ this yacht offers the pinnacle of performance, engineering and quality. Powered with a pair of MTU M96L 1,945hp engines this performance motor yacht is capable of 35knots. In addition to her blazing speed her rock steady comfortable ride will amaze you as well. Utilizing the latest in stabilization technology with a SeaKeeper NG26, the Viking 75 MY is the most stable in it's class. SLIP STREAM's accommodations offers a full 4 staterooms all with en-suite heads, plus 2 crew staterooms located aft near the engine room. As well as all of the latest features you've come to expect in a motor yacht. Features such as aft deck air conditioned seating, foredeck seating & sun pad, retractable sunroof in the skylounge, on deck day head, aft hydraulic swim platform, open galley arrangement, full walk around decks, the latest navigation and AV electronics, and so much more. Furthermore, you can have confidence in SLIP STREAM'S quality knowing it was designed, engineered and built by a world renowned builder in Viking Yachts. The owners desire to move up to a larger Viking means you have a chance to own the pinnacle of yacht craftsmanship in a nearly new yacht with just over 200 hours at a price point dramatically less than a brand new one. Few yachts offer what SLIP STREAM can, such as: Built and serviced in the USA by a family owned premier yacht company; The latest and greatest in technology and features seen in the yachting market today; Unprecedented performance characteristics and all around sexy lines.

Being the one and only pre-owned Viking 75 MY ever offered for sale this truly adds up to be a very rare opportunity for you to own something special.
