## Overview

---

U WISH (a 2011 Mangusta 105) with Low hours, a 2017 Refit, Dual Stabilization systems, and incredible performance is a combination rarely seen in the pre-owned yacht market today. U WISH is perfectly maintained and ready to go having just completed a nearly \$1m refit including all new interior floors, counter tops, furniture, AV system, exterior painting; aft deck Jacuzzi; servicing of all systems and more. In addition, her twin MTU 16V2000 2,400hp engines (only 800 hours) will exceed your performance expectations. Whether its' her incredible top end speed of 31 knots or her spectacular maneuverability via KaMeWa waterjets you will be blown away that a 105' yacht is capable of doing what she can. Furthermore, U WISH has the most technologically advanced stabilization system on the water today. The SeaKeeper 2600 gyro stabilizer is the industry standard when it comes to reducing roll. The result is a yacht that is not only fast, but rock solid in all conditions. And while her performance will leave you speechless her interior design will take your breath away. The combination of light wood floors, with rich dark wood cabinets topped with spectacular stones throughout the entire yacht combine to make U WISH a contemporary masterpiece. From stem to stern, top to bottom, U WISH is a yacht that proves wishes do come true.

- Sea water pump
- Air conditioning
- Heating
- Stern thruster
- Hot water
- Refrigerator

- Bow thruster
- Battery charger
- Dishwasher
- Electric head

## Main Components

- Hamman blackwater treatment system
- Seakeeper gyro
- Idromar Water maker
- Propulsion control and monitoring system - MTU Blue Vision
- Marine Gear - 2 x ZF 3060
- Stabilization - SeaKeeper 2600
- Trim Tabs- Humphree
- Propulsion system - 2 x KAMEWA Waterjets 63 S II
- Generators - 2 x Kohler 400 V / 50 Hz 3-phase 33 EFOZ 33 KW
- Bilge/chain wash down/firefighting pump - GIANNESCHI ACM 401 BT 2.2 KW 400V
- Bilge/chain wash down/firefighting pump - GIANNESCHI ACM 401 BT 2.2 KW 24V DC
- Submersible bilge pump - Rule 4000 24 V DC
- Water/oil separator filter - Wavestream
- Blackwater/greywater treatment system - HAMANN Supermini 230V
- Engine room blowers/extractors - 4 x GIANNESCHI ELL/R 560 0.75 KW 400 V reversible
- Freshwater pressure pumps - 2 x GIANNESCHI ECOJET 4B 0.75 KW (400 V/24V DC)
- Air conditioning system - FRIG - IT 400 V 50 Hz/ 3- phase 155.770 BTU/h
- Watermaker - IDROMAR MC5S 230 L/h 400 V 50 Hz 3-phase
- Battery charger - Dolphin 24/150 3-phase
- Anchors - 2 x S.E.C. SHHO 135 kg (galvanized)
- Anchor chains - POSIDONIA 2 X 125 metres, 14 mm, stud-link
- Windlasses - 2 x LOFRANS' Ercole Verticale B 3.5 KW 400 V
- Warping winches - 2 x LOFRANS' T 2KW 400 V
- Main engine fuel separator filters - SEPAR SWK 2000/18/UMS or equivalent
- Generator fuel separator filters - SEPAR SWK 2000/5/MS or equivalent
- Fuel priming pump - GIANNESCHI ACB 61 E 230 V AC
- Steering and autopilot hydraulic module - KAMEWA
- Multifunction hydraulic module - BCS CO 435 A-2A 24 V DC
- Bow thruster - BCS BP 014
- Gangway/hoist - SANGUINETI mod. MIZAR L=5780 mm, capacity 680 kg
- Swimming ladder - SANGUINETTI art. 5299 SC OV

Built by Overmarine-Mangusta U WISH was delivered in 2011 and has had a refit in 2017. Accommodation for eight guests in four cabins is on the lower deck and includes

a master suite with an office and walk-in wardrobe, a VIP suite and two twin cabins, all with entertainment centers and en-suite bathroom facilities. In addition, there are quarters for four crew.

With dark wooden joinery contrasting with designer fabrics, her upper saloon has comfortable seating, a bar and an entertainment center including a large flatscreen television. The roof top is retractable at the touch of a button, giving the choice of dining indoors or al fresco without guests having to move from their seats.

Meanwhile, her lower saloon is fitted with ample seating and an entertainment center, offering guests the opportunity to simply relax or enjoy the latest movie on the entertainment system

She has wide decks leading to a pair of built-in sun pads on the foredeck — ideal for sunbathing with a cool drink in total privacy.

Her twin 2,400hp MTU 16V2000 diesel engines have logged only 800 hours and, linked to KaWeMa water jets, power her to speeds of up to 31 knots.

## Exclusions

---

Owner's personal belongings.
