## Overview

---

The Back Cove 37 Downeast was created for families who wish to enjoy their on water activities to the fullest. Below deck there is a very comfortable cabin which will accommodate a cruising couple for weeks on end. On deck the single level cockpit sole stretchess from her transom to the companionway making this the perfect design for every activity from fishing and swimming to entertaining or lounging to pass a pleasant day with family and friends.

Continuing with the same practical features, usability and low maintenance, which have built the popularity of the Back Cove brand since it's inception. And of course, you will find the usual great features Back Cove is known for; wide walk-around decks, ample anchor locker storage space, beautifully molded parts, smart electrical & mechanical systems, quiet running hull, economical burn rates plus much much more.
