### Accommodations & Layout

Starting below in the master stateroom, there is a very large V-berth with ample storage throughout the cabin, including a hanging locker, drawers, and storage for larger items below the berth. Head is accessed either directly from the master stateroom or from a separate door in the main salon. Moving further aft brings you in to the main salon with a large u-shaped settee to starboard and a comfortable u-shaped galley to port. Main salon table can be converted into a double berth. Interior fabric is a blue/green tweed that presents very well. As was the case with Sabre's sailing vessels, they offer a tremendous amount of storage space for safely securing all of your equipment and gear. Interior is varnished cherry on the bulkheads and cabin sides for a clean, bright interior. Satin varnished teak and holly sole really sets her interior off.

Setting up 3 steps brings you into the helm deck area. Helm is to starboard and offers a single captain's chair with unsurpassed 360 degree views. Opposite to port is a large L-shaped settee with table to keep your crew and guests happy. Full soft enclosure allows for protection from the elements.

Moving further aft brings you to the stern cockpit which offers space for a variety of tasks, and can be a wonderful spot to catch the evening sunset.
