Power Play IV is a one of a kind 2013 64' Azimut with many upgrades and custom options and decor throughout. This vessel is powered by T-CAT C18 engines at 1150hp with an ESC Platinum Plus Extended Warranty until June 28, 2018! Some of the amazing highlights of this beauty includes the hydraulic swim platform which support the 2013 Turbojet tender, dual SeaKeeper Gyro stabilizers, along with a custom metallic painted hull to make the exterior stand out like no other. Power Play IV is easily accessed by the aft side deck doors that leads to a large seating area designed with teak floors. This area is a great place where you can kick back and relax in comfort and style. As you make your way forward, you will enter the salon of this yacht through a stainless sliding glass door that has the ability to open all the way to the port side.

Power Play IV has a modern interior feel with a leather L-shaped sofa to port, and a matching leather love seat to starboard. The salon is accented by custom roman shades. This galley makes cooking easy and fun while cruising. The lower helm is located in this same area with all the electronics one would need for navigation.

Power Play IV offers three staterooms below and a companionway with a full washer and dryer along with an abundant amount of storage. The master stateroom is the perfect space for relaxing in luxury with a full-size closet, built-in vanity table, and private access to the master head.
