SPECIFICATIONS

Overview

This is a semi-custom, Atlantic Boatworks Downeast Cruising Yacht. She is built as tuff, safe and seaworthy as her commercial sister ships used as lobster and offshore fishing boats throughout the northeast with the classic lines and luxurious interior that BHM Downeast yachts are known for. Her accommodations include two cabins, salon, head with separate shower and galley. A Northern Lights 6 kw generator operates her air conditioning, heat and appliances. She's powered by a fuel efficient single 375HP Volvo diesel with low engine hours and a bow thruster which is great for maneuvering in tight spots. Engines Engine 1: Engine Brand: Volvo Year Built: 1999 Engine Model: TAMD 63PA Engine Type: Inboard Engine/Fuel Type: Diesel Engine Hours: 1500 Drive Type: Direct Drive Engine Power: 375 HP
