Overview

This is your chance to own a piece of history!!!!!! A fully restored Cape May boat works built by Harry Mogck. In 1949, Cape May Boat Works built and launched the 47' Anna M. It was a first generation wooden off shore sport fishing boat. Harry Mogck, owner of Cape May Boatworks, built the cedar plank on steam bent white oak frame hull. The forward trunk cabin housed pipe berths and galley followed by pilot house, a shelter deck over the engine boxes, with a 21' cockpit and powered by twin GM 671 naturals. Accommodations for weekend off shore sport fishing trips were spare. In 2003 the complete restoration of the hull - from the keel bolts up. Accommodations and system upgrades were added for near coastal cruising. In March 2009, the Anna M was re launched from Roseman's Boatyard, Cape May NJ.
