SPECIFICATIONS

Overview

The innovative pilothouse design features two removable fiberglass doors with tempered side glass, a hydraulic, tempered glass sliding windshield, and a gas shock-assisted rear-opening window. Optional air conditioner and heater for ultimate climate control.

Fishing is a priority with 25 stainless steel rod holders throughout the gunwales, transom, and hardtop, plus kingfish rod holders and outriggers. There are under gunwale rod racks port and starboard, lockable rod storage, cooler, circulating livewell, and over 200 gallons of fishbox space. Other standards include an electric bow table that converts to padded seating, and a head compartment with a sink, shower, and china bowl head with macerator and holding tank.
