## Overview

---

This 2000 Mainship 390 has been upgraded and made to be the perfect Bahamas and East Coast cruiser. The updates include a new generator, Ray Marine Hybrid Touch Plotter, Night LED lighting, BBQ, underwater lights, Reverso oil change system, an aft deck screen enclosure and much more. Minions is not your standard Mainship 390 as she has twin Yanmar with low hours, dual anchors for great holding power, a swim platform with great storage and a bottom that has been eco blasted, barrier coated and 3 coats of Petit Trinidad. She has no damage history and still has original gel coat that the owner has detailed every 6 months and has a great shine. Minions is at the top of the market and rightly deserves it's place. If you are in the market for a step on and go this is the one you need to see. Owner will entertain trades of 28-30' outboard 4 stroke Grady White or equal in great condition. Call for more details.
