DETAILED INFORMATION

Manufacturer Provided Description

The 72 Pilothouse from Ocean Alexander. More beam. More living options. A more modern hull that gives you better speed with less fuel burn. The 72 Pilothouse is a take on an Ocean Alexander classic. OA's continuing obsession with engineering, safety and performance is evident all over it. They've added some intriguing designs features such as a private staircase entry to your master stateroom, an island galley layout and full wet bar with seating in the spacious command bridge area. Welcome and enjoy!
