SPECIFICATIONS

Overview

This 2012 Monterey 264FS has been lift kept and well cared for her entire life. She features an agile frame that comfortably and safely provides room for your entire crew. Dual bucket seats with flip-up bolsters swivel to face the rear L-shaped lounge, which also doubles as a sun pad. The spacious adult-sized bow section on the FS also provides seat storage and drink holders in the gunwale. The ergonomically designed helm station features full instrumentation with low-glare night lighting. The sleek appearance is highlighted by fog resistant gauges, backlit weatherproof switches, and a sleek black steering wheel with a silver insert. A full fiberglass head and a large swim platform with telescopic recessed boarding ladder make for safe and comfortable family outings.

Basic Information
