## Overview

---

*The 37 Billfish is being built at our Viking Mullica facility, and even in its earliest stages has gathered quite a following with nearly half of the year's production snapped up by eager buyers who appreciate the classic day boat style that best serves sport fishing fanatics. From bow to stern the 37 Billfish is about form and function. The slick Hull and running surface are designed to slip through the water maximizing the response and performance from its twin diesel power. In the Deckhouse, there is ample space for a convertible dinette, a lounge, good tackle stowage and even a lower Helm Station to extend both ends of the fishing season in northern climates, while providing comfort from the heat in tropical paradises like Costa Rica. The flying bridge is set up tournament fashion with a Center Console Helm and flanking lounges. In the Cockpit, it's all fishy business with a transom door, transom live well, bait freezers and twin mezzanines. With an amazing interior featuring a private Stateroom forward, a well-equipped Galley and a Head with shower you'd expect to see on a 40-footer, the 37 Billfish easily transforms into a perfect family cruising yacht when the fishing rods are put away. IN STOCK NOW! CALL TO INQUIRE!!!*

## Basic Information

---
