SPECIFICATIONS

Overview

The spectacular 277 SSX blends classic style lines with a modern twist on technology and user-friendly features. Powerline hull contours accent a look that's bold and distinct. Onboard, a plush, adult sized bow area with varied seating possibilities says welcome aboard. Spacious U-shaped cockpit seating is enhanced with a removable cockpit table. The storage compartments under the seats are all finished fiberglass. Aft, the 277 easily converts from a center walk-thru design to the pleasures of a full width sun lounge.
