SPECIFICATIONS

Overview

Broker's comments

This 62 Hampton Motor Yacht is hands down at the head of the class as one of the best cared for yachts you will come aboard. The owner has spared no expense from bow to stern. In addition to her many features and redundancies, Recent items include: new 110V fresh water pump, Engine service May 2017, new AGM batteries 2016, complete bottom job preformed February 2017, full stabilizer service and seals 2016, wind indicator added, LED lighting throughout the boat, additional dimmers added throughout, power blinds at forward windows upper and lower, dedicated E.R. air conditioner, Sirius weather added to electronics, underwater lights added and more.

This is a must see for anyone looking for top quality and a turn key ready yacht.

Accommodations

This Hampton 620 offers a very spacious main salon that provides you with an open view from the aft salon doors through to the galley and forward dining area. The modified skylounge has hard windows forward and soft sides so it can be cooled, heated or opened up to enjoy the outside. She has fine wood craftsmanship with beautiful high gloss cherry and burl inlays throughout.

She offers three staterooms with the master stateroom midship. The master includes enlarged port lights, a walk-in closet and has the head and shower behind the master berth. The VIP is forward with the third stateroom to port offering side by side berths. The 620 is powered with twin Caterpillar C-18's @ 873 HP and includes (2) Kohler generators, 23KW & 15.5KW, 4kw inverter, Wesmar 3 term stabilizers, bow and stern thrusters, complete electronics package, chilled water A/C system and ISO boost transformers(2). This just scratches the surface as to what this yacht offers in a solid fiberglass hull up to the rub-rail, reinforced with Kevlar from chine to chine with an additional layer of protection in the forward section, or the collision zone.
