DETAILED INFORMATION

Walkthrough

Boarding BACK NINE is over the gunwale from a fixed dock or onto the swim platform and through the transom door from a floating dock. The spacious Cockpit has a full size fighting chair, a tackle center and a ladder to the enclosed Flybridge. Engine Room access is centerline.

Two varnished steps slightly to starboard gives access to the Salon. The Salon is furnished with an L shaped sofa, a coffee table, two barrel chairs and an end table between.

The Galley with full size appliances is next forward to port. A four person dinette is to starboard.

Down five steps to port is the Master Cabin with a walkaround queen berth, night stands and hanging lockers. A private Head with stall shower is forward. To starboard is an over/under berth Cabin with private Head and stall shower. All the way forward is a twin over/under bunk Cabin with a private Head and stall shower.

The enclosed Flybridge has a centerline helm, L shaped seating to starboard and a bench seat to port. An aft outside helm allows the captain to see the Cockpit. The tower has a center ladder, full controls and a sunshade.

Salon

Entered via a hinged teak door the Salon is bright and airy due to large side and aft windows.

Immediately to port is a large L shaped settee which has been recently recovered.

Lying in front is a large square teak and glass coffee table which raises to be a dining table as needed.

Forward is a bar area with a sink under a hinged top with four cabinet doors below, two of them lockable. Facing the centerline is a U Line stainless steel icemaker. Above is a mirror and two down lights.

To starboard upon entry are two newly upholstered barrel chairs flanking a teak end table with a drawer and two cabinets below and a table lamp above.

Next forward is a three panel electrical locker for shore power and the main 32 volt

panel.

Also in the Salon are two DC overhead lights, stereo speakers and mini blinds, port, starboard and aft.

Galley

Next forward to port is the Galley. It is in a U shape. The following items can be found in the Galley:

Frigidaire 2 door refrigerator Modern Maid 4 burner cook top & eye level oven Modern Maid dishwasher Sunbeam countertop microwave Double stainless steel corner sink Disposal Oster stainless steel turbo convection oven (9) Teak cabinet doors (4) Teak drawers (2) Sliding storage cabinets Wood sole (2) 110 Volt overhead lights Large side window to port & starboard

To starboard is a four person dinette with two cabinets below and two sliding door cabinets forward. Above is a DC light fixture. Below in the dinette seats are one drawer each with additional storage below the cushions.

Companionway

Forward of the Galley down five steps is the Accommodation Companionway, the steps are hinged to access the Utility Room. To starboard at the bottom of the steps is an over under Cabin and private Head.

To port is the Master Cabin and Head. Further forward to port is a second access to the Guest Head allowing it to serve as a Day Head.

Next forward to starboard are two linen lockers.

Furthest forward is a vee bunk Cabin with two berths and a private Head.

Master Cabin

Entered from the forward end is the Master Cabin with a walk around tapered queen bunk off the aft bulkhead. Each side of the bunk has a reading light. Each side of the bunk has a three drawer nightstand with a table lamp above. There are four large

drawers below the berth. Outboard is a shelf with two stereo speakers below and an opening porthole above. Next forward is a hanging locker. Inboard is a chest of four drawers and a vanity mirror above.

Master Head

Next forward is the en suite Master Head with a vanity with two cabinet doors below and a China sink above. A teak framed mirrored medicine cabinet is above.

The stall shower has a handheld or wall mountable fixture, a shelf, an opening obscured glass porthole and a tempered glass door.

The toilet is a Galley Maid electric model. Also in the Head is a vinyl tile sole, a DC overhead light, a fluorescent light and an exhaust fan.

Starboard Guest Cabin

To starboard at the bottom of the step is an over/under cabin with the upper berth custom widened. Above is an opening porthole.

The lower berth has two storage drawers below. At the foot of the berth is a mirrored panel and a two drawer nightstand. Forward is a hanging locker. Each berth has a reading light.

Furthest forward is access to the en suite Head.

Starboard Guest Head

The Starboard Guest Head has two access doors allowing it to function as a Day Head as well. There is a vanity with two cabinet doors below and a China sink above. A teak framed mirrored medicine cabinet is above.

The stall shower has a handheld or wall mountable fixture, a shelf, an opening obscured glass porthole and a tempered glass door.

The toilet is a Galley Maid electric model. Also in the Head is a vinyl tile sole, a DC overhead light, a fluorescent light and an exhaust fan.

Forward Cabin

All the way forward is a second Guest Cabin with over/under berths to port. Above the upper berth is an opening porthole in the padded hull liner and a single drawer below.

Below the lower berth are two storage drawers. Each berth has a reading light. Above are rod storage holders.

Aft of the berths is a full size hanging locker.

To starboard is a chest of five drawers with a porthole above. Aft to the en suite Head.

Forward are dual access doors to the rope/chain locker.

Forward Guest Head

Next forward is the en suite Forward Guest Head with a vanity with one cabinet door below and a China sink above. A teak framed mirrored medicine cabinet is above.

The stall shower has a handheld or wall mountable fixture, a shelf, an opening obscured glass porthole and a tempered glass door.

The toilet is a Galley Maid electric model. Also in the Head is a vinyl tile sole, a DC overhead light, a fluorescent light and an exhaust fan.

Enclosed Flybridge

The Flybridge is accessed via a nine step ladder from the Cockpit. The aft Helm Area is to port at the top of the steps. There is aft facing seating to starboard.

A hinged entry door gives access to the fully air conditioned Helm. The helm wheel is on centerline. To port is a bench seat with drawer storage below. To starboard wrapping around aft is additional seating with drawer storage below.

Equipment in the Enclosed Bridge Area is as follows:

Stainless Destroyer wheel Hynautic clutch & throttle controls Full analog engine gauges Engine start/stop key switches Windlass remote control (3) Auto manual bilge pump controls 6" Ritchie compass in binnacle Hatteras alarm system panel SMX II digital AC controls Comnav 1001 autopilot Garmin 7212 GPS plotter/72 mile radar/sounder (2) Icom M402 VHF's Garmin GMI 10 depth/data Helm chair (3) Windshield wipers (4) Overhead lights Overhead grab rails Opening windows port, starboard & aft Rudder angle indicator Emergency air/engine shutoffs ACR searchlight controls Chart light Small drink fridge in cabinet

Aft Bridge Station

Remarks

BACK NINE represents a clean well cared for 60' Hatteras that has had updates but remains very original in her appearance.

Just under 1900 original hours with a 2012 refit that saw a major engine service, new electronics, furnishings, exterior paint, etc.

Fresh from a November 2017 yard visit her owner has her more ready to go than any other 1979 boat afloat. No apparent blisters at haul out. Bottom previously sandblasted and epoxy coated.

Attractively priced to sell!

Exclusions

While every effort was made to list all pertinent included equipment aboard BACK NINE, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

Exclusions

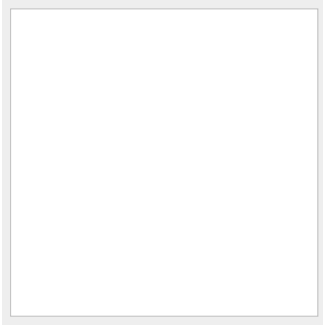

Owner's personal belongings.
